Attendant Shot, Hurt
Seriously by Armed
Robbers on Thursday

Granite City police nabbed three men fleeing a building early today and a Madison service station attendant was shot and seriously wounded by armed robbers as 15 major crimes were reported during the weekend in the Quad-City area.

Three men were captured while fleeing from the Diamond Plating Co., East 23rd and Monroe streets, at about 6 a.m. today.

To be charged with burglary, police said, are Robert Jefferson, 30, and Sam Ernest White, 33, both of University City, Mo., and Lawrence Mobley, 35, of St. Louis.

They were caught in the 2100 blocks of Washington and Lee avenues, and one was found hiding in a basement at 2102 Washington.

Granite City police were alerted when the central burglar alarm sounded as a large overhead door was opened apparently to haul away loot. As police arrived, the trio fled.

A 1½-ton 1951 stake body truck believed used by the men, which was reported stolen during the weekend from the garage at the Markly Plumbing & Heating Co., 610 Cambridge avenue, Madison, was located this morning in the 2100 block of Monroe street.

Some nickel ingots were removed from the plant, and a large crate of the ingots was found in the street. An inventory was being taken to determine the amount of material missing.

Entry was gained by cutting a panel out of the rear door at the plant.

Attendant shot at a Madison service station attendant was shot after he was robbed and abducted by two men at the Derby station, Route 200, at about 11:30 p.m. Thursday.

He is Harry Snell, 21, of 2014 McCasland avenue, who was dumped out of a car at Third street and Broadway in East St. Louis. Found unconscious, he was taken to St. Mary's hospital in serious condition with a wound to the chest.

Arrested in the case was Michael Crockett, 19, of East St. Louis, on charges of kidnapping, attempted murder and armed robbery.

Crockett was taken into custody by State Troopers Terry Delaney and Reese Morgan, who saw a black 1963 Lincoln miss a stop sign in East St. Louis and gave chase. The car went out of control and struck a utility pole at 12th street and Converse avenue.

A passenger fled, firing several shots at the troopers. The officers found that the back seat of the limousine was blood-stained and that a bullet had gone through the seat. Snell's money changer was on the seat, police said.

DWIGHT EISENHOWER

GC Electrician Recalls Army Duty At White House

An electrician foreman at Granite City Steel Co., who as an Army Signal Corps specialist spent nearly two years at the White House while Dwight D. Eisenhower was president, told the Press-Record he remembers the Warrior-Statesman as a "warm and friendly man."

Milton James, 2815 Sunset drive, a native Granite Cityan who returned to his job at the mill 11 years ago, has several remembrances from his tour of duty at the White House from January 1956 to November 1957, and recalls having met the President a number of times in the White House.

"It's a large place, but our paths did cross on occasion. I couldn't say, though, that I rubbed shoulders with the President," James added.

He vividly recalls the Christmas party in a ballroom of the White House for the staff in 1956. "Mrs. Eisenhower" was there and she asked me if I was an enlisted or a drafted man. I told her I had been drafted," James said.

"I consider it quite an honor to have been on duty at the White House."

James has a special souvenir, a large Christmas 1956 greeting card featuring portraits of President Eisenhower and the First Lady and bearing the message, "With best wishes for a Happy Holiday Season."

Troops of the Granite City Army Depot paid tribute to Dwight D. Eisenhower, former President and General of the Army, in a special formation at 10 a.m. Saturday on the depot parade grounds. Similar ceremonies were conducted at the same hour at military installations throughout the country.

Today's national day of mourning is being observed by most federal and county offices. Flags across the nation will be at half-staff for 30 days, ending April 26.

The Depot cannot begin firing a salute at 10 a.m. and continued each half hour on Saturday.

In the presence of Col. Ned R. Dickson, depot commander, who had met Gen. Eisenhower on a duty assignment when the colonel was a second lieutenant, the official announcement was read to the several hundred troops by SGM Michael Zupanski.

The joint official statement by Secretary of the Army Stanley R. Resor, and Gen. W. C. Moreland, Chief of Staff, U. S. Army, follows:

Text of Message

"We have the very sad duty to announce to members of the U. S. Army the death of General Dwight David Eisenhower, 34th President of the United States, who died at Walter Reed General Hospital, Washington, D. C., at 12:55 hours on Friday, the 28th day of March 1969.

"General Eisenhower was a great American who distinguished himself in brilliant military career, including service in two world wars, and an active participant in the Allied Expeditionary Force in Europe during world war II. He demonstrated his superb leadership by welding this heterogeneous organization into the greatest fighting force the world has ever known.

"As President of the United States during the Korean conflict and during periods of serious international tension, he displayed a conscientious loyalty to national ideals and a devotion to the principles of democracy which earned him the profound respect of people of the entire world.

"The United States will mourn the death of one of its greatest military leaders and most distinguished citizens."

10-Cent Bus Fare Hike in April Announced Today

A ten-cent increase in basic bus fares was approved today by the Bi-State Development Agency commissioners which will raise the basic cash fare in the Central Fare Area to 40 cents from 30 cents for adults and to 20 cents from 15 cents for children under 12. The express fare will be an additional five cents in both cases.

The Central Fare Area includes the Quad-Cities, East St. Louis and St. Louis. Application for the fare raise will be filed with the Interstate Commerce Commission with approval expected. The proposed new fare schedule will start in mid-April, Col. R. E. Smyser, Bi-State executive director said today.

The additional revenue is required to meet a continuing decline in patronage, a new labor contract that will cost the transportation system about \$2 million over the 30-month contract period and a cumulative cash deficiency in the depreciation reserve account of approximately \$1,760,000 as of last year.

Miles Lab Buys Tract Here; Leases Labor Temple Space

Purchase of a 19-acre tract in Granite City has been good, and it is hoped it will continue for Miles has planned major growth for Union Division," Dashwood said.

Also announced over the weekend was the lease of the ground floor of the Labor Temple building, formerly occupied by the board offices for Granite City school district, are being leased for two years, with two one-year options. Extensive remodeling is planned for occupancy by April 12 for a staff of 35 of office workers.

Arrangements also have been made with the Labor Temple Association and a private firm for lease of all the vacant property south of the building to provide parking.

Union Division Products, a major producer of corn syrup, corn starch, citric acid, caramel color, and dextrose, uses the building for the preparation of food and beverage products, as well as other industries.

Miles Laboratories, headquartered in Elkhardt, Ind., operates worldwide with a broad range of products including such well-known trademarks as Alka-Seltzer, One-A-Day and Chocky vitamins.

Offices for Entire Staff Planned for the tract is the construction of a complex of offices and research facilities. Although final plans are not completed, the office space will be used to house the Division's

Separate Ballot For Voting on Cut in Council

The controversial issue involving a proposed reduction in the size of the Granite City council will be decided in a special referendum conducted with the city election tomorrow.

Voters balloting on the election of 11 city officials also will receive a separate, ball ballot on which they may cast a "yes" or "no" answer on a proposal to reduce the city council membership from two aldermen to one in each of the city's seven wards.

Proponents of the plan contend a smaller council would eliminate, at least reduce the confusions that frequently beset city council meetings and reduce substantially the amount of salaries paid aldermen. They point out, "This is one of the few times you can vote 'no' and reduce taxes."

An informal citizens group headed by Warren Decatur initiated the proposal in petitions filed with the city council last fall. The group attempted to get the proposal on the ballot in the general elections last Nov. 5, but city council action on the request was delayed because the deadline for officially calling the referendum at that time.

Opponents of the proposal maintain that it would be easier to maintain control over a seven-man council than over 14 aldermen, and that a seven-man council also could raise the present aldermanic salary of \$80 per meeting to \$75, the maximum under state law, and thereby cut down the savings effected by having a smaller council.

Lively Campaigning Sparks Interest in City-Wide, Ward Races

(Precinct Map—Page 19)

A sharply-paced city election campaign centered on the contest for the mayor's office drew near an end today as Granite City voters prepared to go to the polls tomorrow to elect 11 city officials.

The city's 31 polling places will open at 6 a.m. and close at 6 p.m. Vote tallies will be reported to the office of City Clerk Homer "Call" Pendleton as they are completed by precinct judges.

Voters in the city election will select a mayor, city clerk, city treasurer and eight aldermen to climax one of the most heated municipal campaigns in many years. Contests are being waged for every city office open to election, including aldermanic posts of all seven wards.

At the same time, Granite City voters also are to elect four township officials—a supervisor, two assistant supervisors and a township assessor. Voters will ballot in the township election in 32 township precincts, most of which are in polling locations separate from those of the city election. Those polling places also will be open from 6 a.m. until 6 p.m.

Publish Precinct List

(A complete list of precinct polling places for the city and township elections is published elsewhere in today's Press-Record.)

At least four township officials subject to election tomorrow also are contested with seven candidates seeking the four elective posts.

Estimates of tomorrow's vote vary from 15,000 to 17,000, with most political observers reluctant to make a definite forecast. More than 8000 voters are registered in the city.

Tomorrow's city election will be the first in which the voters must be regularly registered with the county clerk's office. Voters' applications for precinct names as precinct names on registration lists. In past years, voters balloted in city elections without the city clerk's registration lists.

Spirited Campaign
The hotly contested city election has been marked during the past week by a spirited campaign of statements, advertisements, handbills and meetings. The most of the political maneuvering revolving around the mayoralty race in which Mayor Donald Partney is attempting to unseat incumbent Mayor Donald Partney.

Most candidates in the aldermanic races, whose own races are confined within their respective wards, have aligned themselves with one or the other of the two mayor contestants. City Clerk Pendleton, a candidate for re-election, and E. R. "Pat" Rich, who is seeking re-election as city treasurer, have lined up behind Mayor Partney. Nelson Hagauer, Granite City township supervisor, and Assessor James Barton, both of whom are seeking re-election in the township election, are aligned with Mayor Partney.

While Rich's name is the one to appear on the city ballot as a candidate for treasurer, he is opposed by Paul D. Simon, a Granite City ambulance driver who has been conducting an active write-in campaign for the treasurer's post. Last week, Simon's name began appearing alongside those of Mayor Partney in several sections of the city.

Pledges Fulltime Service
Partney's most recent campaign efforts have included an attempt to refute Boyd's claim to widespread labor support. Boyd, a representative of the Granite City subdivision of the United Steelworkers of America, has pledged he would serve as an "all-time" mayor, elected, but said also he would

Contests to Spur Voting in Area Township Elections

Voters of the Quad-City area are expected to ballot in township elections in heavier-than-usual numbers tomorrow, spurred by active contests for virtually every town office to be filled.

Slates of incumbent candidates seeking re-election in Venice, Nameki and Chouteau townships are opposed in each instance by opposition tickets, all of which have been conducting active campaigns in their respective areas.

Complete opposition tickets are in the running in Nameki and Chouteau townships, plus one independent candidate in Chouteau. Venice township incumbents are opposed for every office except two of the three town auditor posts. Similar township elections are to be conducted throughout Madison county.

Township polling places will open at 6 a.m. and close at 6 p.m. Vote tabulations will be reported by precinct election judges to the town clerks of the townships.

many years, incumbent Supervisor Arthur "Cooper" Moore, of the Bellview high school, is opposed for re-election by George Amisch Jr., a teacher in the Granite City public system. Jay McGinnis, an assistant supervisor of Venice township for the past eight years, is opposed by Jack Champion of Madison, a salesman for Sperry-Rand Co. Both Amisch and Champion, as well as other candidates opposing the incumbent group, are running under a "Truth in Politics" party heading.

Incumbent Supervisor Moore is seeking re-election in the "Progressive Labor Party" ticket.

Frank Reidelberger Jr., Venice, incumbent tax collector, is seeking re-election and is opposed by William Gushfield of Madison, a civic instructor in the Bellview high school.

John Bricker of Madison, a desk clerk at Madison police headquarters and an incumbent town clerk, is seeking election on the Progressive Labor Party ticket as township assessor. In Venice, Robert Norfleet, Madison, a tax and insurance consultant.

Town Clerk Opposed

The town clerk post is sought by incumbent Thomas W. Foley of Venice, on the incumbent ticket, and by Mrs. Margaret Blackshere, Madison, a teacher at Harris school.

The Truth in Politics party group has only one candidate for one of the three town auditor posts in Venice township. He is Cecil Wilson, Venice, a press operator at Dow Chemical Co. Incumbent town auditors, Albert J. Topal of Madison, and Lawrence J. Puert of Venice are seeking re-election in the incumbent slate. Their third candidate is Earl T. Mosley of Venice, an employee of Granite City Steel Co.

Venice township voters will cast their ballots tomorrow in 11 precinct polling places. The locations are:

Precinct One, Park district office building, 321 Broadway; Precinct Two, St. Mark's Church, Sixth and Lincoln; Precinct Three, Harrison Recreation Center, 201 Harrison street; Precinct Four, Park district office building, 321 Broadway; Precinct Five, Madison Recreation Center, Third and Washington;

Precinct Six, Madison Fire Station, 1827 Third street; Precinct Seven, Madison Library, 1700 Fifth street; Precinct Eight, Madison Recreation Center, Madison and Lee; Precinct Nine, Trinity Hall, 1267 Madison avenue; Precinct Ten, Cecil Hughes residence, 2640 High street; Precinct Eleven, Canda residence, 109 Weaver street.

Nameki Election
Nameki township this year elects only an assessor, collector, town clerk and three auditors—and thus is one of the few townships in the county that does not elect supervisors or assistant supervisors in tomorrow's elections.

Four incumbents are seeking re-election on the Continued Improvement Party ticket. They are Paul Schuler, the only member of the five-man park board whose term expires this year. Schuler did not seek re-election to the park board, but is a candidate for alderman of the Sixth Ward in the city election.

The opposition ticket includes Joseph Conah, incumbent assessor.

Stevens opposed Pendleton for the clerk post in the city election four years ago.

The aldermanic races have attracted more than usual interest this year since recent redistricting of the city's old eight wards into seven wards and transfer of some incumbent aldermen from their original wards into others has resulted in several unprecedented situations.

Among these are circumstances necessitating election of two aldermen in Ward One where the regular term of William Dallas expires this year. Because of redistricting Charles Moerlein, the other alderman of old Ward One, was transferred into Ward Five, creating a vacancy for the two-year hold-over term in Ward One.

Barton Says Agencies Boost Tax Rates Here

Granite City Township Assessor James Barton, a candidate for re-election, said today the 1968 tax rate announced last week by the county clerk is based on the tax levies set by local taxing agencies.

"I want to explain," Barton said, "the assessor's office has no control or authority over the tax rate or the amount of 1968 taxes the property owner will pay in 1969. That determination is made by the city, the school district, county, township, park district and levee district and is finally computed by the county clerk."

"The assessment, which I placed on homes and other real estate in 1967 and on which taxes were paid in the summer of 1968 is the same assessment on which 1969 taxes will be paid this year," Barton said.

Boyd said, "Such a building is necessary to protect our wallets and cooks from the loss of work and wages for large banquets and would help all citizens as well as bring in more dollars for our people."

The candidate has been criticized for holding a testimonial dinner in Belleville. Boyd said there was not a place of sufficient size here to accommodate the crowd.

Only 'Temporary' Drainage Relief Now

An immediate program to remedy mounting drainage difficulties in the Nameoki township-northeast Granite City area is not now possible at a substantial level and any solution of existing drainage problems must await development of an overall area Hillsdale Drainage project, a meeting of more than 250 residents of the area was told Saturday.

These unannounced conclusions developed in a two-hour session in which area drainage problems were discussed by Cong. Melvin Price (D-East St. Louis).

Col. Edwin R. Decker, district head of the U. S. Army Corps of Engineers, and State Rep. Horace Calvo (D-Granite City), along with William "Mike" Ebersold of Venice, a Madison county member of the East Side Levee and Sanitary district who arranged the meeting.

The meeting, in which some hope was held out in the form of "temporary" relief as individual problems arise, resulted in a series of major developments in the area's bleak drainage picture. They included:

1. Col. Decker indicated that the Hillsdale Drainage project, as such, still does not actually exist for lack of a sponsor. He said a sponsor of the project will have to be in a position to provide right-of-way for all construction work, be responsible for all utility relocations and then take over full maintenance of the project once it is completed.
2. Ebersold disclosed that he is to meet with Illinois Gov. Richard B. Ogilvie "within the next week or so" to learn if the governor still stands committed to state sponsorship of the Hillsdale Drainage project and, if so, when funds will be made available.
3. Illinois Highway officials have agreed to meet with levee district representatives to discuss better methods of handling drainage from built-up highway rights of way, a practice that drainage engineers contend would eliminate many local flooding problems in residential areas.
4. Harry Briggs, supervisor of Nameoki township and Democratic nominee for state senator, said he already has initiated a plan to amend county zoning codes that would permit levee districts to check the building

plans for new subdivisions as to arrangements for surface drainage and make "positive" recommendations before building permits are granted.

The levee district board will consider immediate plans for installation of an additional culvert and widening of the Horseshoe Lake spillway into Cahokia Canal to expedite the lowering of the lake level.

U. S. Funds Available
Cong. Price reviewed the background of the long-standing Hillsdale Drainage project, noting that federal funds already have been allocated for the initial phases of such a project which will get under way under supervision of the Army Corps of Engineers as soon as qualified sponsorship is established.

Col. Decker and Rep. Calvo, he offered little encouragement to any suggestion that an immediate program be mapped for relief of areas affected by local flooding due to improper drainage facilities or lack of them.

The money for such work simply isn't available, the congressman said. Any federal grants for drainage purposes in the area naturally would be charged to the Hillsdale Drainage project, he noted.

Col. Decker told the crowd of homeowners that "the main problem, as I see it, is not your individual ditch, but the overall picture of area-wide drainage."

The colonel said he recognized the situation as a two-fold problem—a matter of too much surface water and a high water table. He explained that the main function of the Army Engineers was construction of levees to prevent flooding by high river stages and that interior drainage is not a responsibility of the engineer corps.

"Therefore," he said, "there is not much I can do."

Offers Technical Aid
He said, however, that the Army Engineers could aid in any effort made locally to facilitate better drainage by providing technical assistance.

He said also that some sections of Nameoki township would be considered by a cleaning of the Chouteau-Venice-Nameoki Levee District ditches which he said was considerably clogged at the time it last was inspected.

Rep. Calvo pointed out that funds for sewer and drainage improvements are available only through the Housing and Urban Development Agency, and that "they are not able to keep up with the requests they have to have so long as the war in Vietnam goes on."

Calvo made no reference to state sponsorship on the Hillsdale

Delinquent Taxes Become Issue in Chouteau Twp.

Reports of non-payment of personal property taxes by candidates circulated in Chouteau township over the weekend and were denied by the Township Improvement Party candidates.

W. Richardson of Mitchell, candidate for assessor, said he is seeking clarification of a back tax bill that was not on his original 1967 personal property tax bill and it appears the amount of back taxes is for an auto owned by his son, Jerry, who lives at home.

Richardson added that he had signed for the auto for his son and that it probably had been added to his tax bill at the last election. "This needs to be clarified before I make any payment," he added.

Morris Miles, also of Mitchell and a candidate for tax collector for Chouteau township on the Township Improvement Party ticket, told the Press-Record that he had just learned of a \$40 personal property tax bill he owes for 1967.

"Under an arrangement for the savings bank, the loan company that pays my real estate taxes also has been paying the personal property bill there was an oversight for 1967."

"I went to the S&L office today and verified this, and the matter will be straightened out. If I received a personal property bill at my home it was overpaid. But I will make the payment and will get the check off today," Miles said.

Charles Lexow, incumbent tax collector, seeking re-election tomorrow, told the Press-Record today that courthouse records were checked Friday and showed Miles owed 1967 personal property taxes. Lexow suggested the Press-Record verify this with a treasurer's office clerk and Mrs. Edna Bell, reached at her home today, said she recalled someone in the office Friday asking about Miles' personal property taxes and that records showed the 1967 taxes as unpaid. She did not recall the amount. The courthouse is closed today for the national day of mourning for Dwight D. Eisenhower.

Dog Bite Victim

Jerry Coyle, five-year-old son of Mr. and Mrs. Jerome Coyle, 4 Sherwin drive, was treated at 1:45 p.m. Saturday at St. Elizabeth Hospital, after he was bitten on the face by a dog.

Drainage project and commented that "I will do what I can to bring about adoption of legislation to make the levee district the sponsor." He said it appears that the problem of a high lake level in Horseshoe Lake results from the sale of part of the land to an industry which in turn has created a situation the landowners now want to correct.

Promises Temporary Relief
Ebersold, who arranged Saturday's meeting in St. Elizabeth school cafeteria for a public discussion of drainage problems that now beset homeowners in several areas of Nameoki township and north Granite City, pointed out that "any relief now must be on a temporary basis," but he said that the levee district will do everything it can to relieve flooding situations until the larger overall program can become a reality.

He told homeowners of the New Haven subdivision that the levee district will pump the waters of Doherty slough and the other situations will be met as they develop.

More than an hour of the meeting was devoted to questions by members of the audience, involving particularly issues of immediate help in getting rid of surface water and for preventative measures to avoid damaging floods during the next heavy rains.

Miss Evelyn Zumpfe and Merlin Robinson are Wed

Miss Evelyn E. Zumpfe, 3215 Maryville road, a daughter of Mr. and Mrs. Milo Zumpfe, of Dorchester, Neb., became the bride of Merlin F. Robinson, a son of Mrs. Irene Robinson, 2820 Palmer avenue, and the late Merlin C. Robinson, Sunday afternoon in the home of Mr. and Mrs. Harold Mercer, 2210 Lindell blvd.

The ceremony was performed at 1 o'clock by Rev. K. Paul Sims, pastor of Niedringhaus United Methodist Church. Miss Susan Zumpfe was maid of honor, and Miss Jane Zumpfe was bridesmaid, both are sisters of the bride.

Richard Huff was best man and Danny Mercer, nephew of the bridegroom, acted as groomsmen.

A reception was held at the Community Center after the ceremony.

A gown of lace over tulle and slipper satin was worn by the bride. It was styled with a tiered lace skirt and long tapered sleeves which came to points at the hands. Pearls and sequins trimmed the square neckline which came to a V in the back, and also enhanced the four tiers of the skirt. A crown of pearls held secure a veil of illusion. The gown and veil were

fashioned by the bride who held a bouquet of stephanotis centered with a white orchid.

The attendants were dressed alike in blue crystalite with fitted bodices, square necklines and moderately full skirts. Their headresses matched the bride's and they carried carnations.

The couple will make their home at 3869 Rodney drive.

The former Miss Zumpfe, a teacher at the Maryville elementary school, was graduated from Doane College, Crete, Neb., where she became a member of Phi Sigma Tau sorority. Mr. Robinson graduated from SIU-Alton campus, and teaches at Grigsby school.

GOLDEN WEDDING, Mr. and Mrs. Pearl G. Baker, 2036 Sixth street, Madison, who will celebrate their 50th wedding anniversary with an open house on Easter Sunday.

Mr. and Mrs. P. G. Baker to Observe 50th Anniversary

Mr. and Mrs. Pearl G. Baker, 2036 Sixth street, Madison, will observe their 50th wedding anniversary on Easter Sunday.

Mr. Baker operated a body shop in Madison for many years before retiring in 1963. Mrs. Baker was employed by the Granite City Steel Co., in the North Plant, retiring in 1961.

They will renew their wedding vows with the church pastor, Rev. C. M. O'Guin, officiating and a reception will be held from two until four o'clock in the church basement.

Mr. and Mrs. Baker were married April 6, 1919, in Chaffee, Mo., and have made the Quad-City area their home since 1929. The couple has three sons, Cletis, of Granite City; Leroy of

Fullerton, Calif.; and Coy Baker of Madison. There are also six grandchildren.

Many out-of-town guests are expected here for the reception, including the son and family from California.

Showers Honor Miss Chinn

Miss Sharon Chinn, a bride-to-be, was honored at two showers the past week.

Saturday evening her mother, Mrs. Robert Chinn, and sister, Jo Ann, entertained at their home, 3041 Dale avenue. The wedding colors, blue and white, and wedding bells in assorted sizes were used. The refreshment table was centered with a miniature wedding cake.

Games were enjoyed after the gifts were opened. Among those present were Mesdames Joyce McDaniels, Janet Phillips, Beverly Pier, Julie Barnes, Mildred Click, Jean Carver, Leta Isom, Pearl Graf, Barbara Landis, Hazel Perry, Maxine Lamkin, Inez Hill, Knobloch, and Carol Richardson; Misses Alice Carbone, Patty Barr, Joan Graf, Cheryl Landis, Cindy Lamkin, Melissa Pier and Dorothy Rae Chinn.

Friday evening, Mrs. Edmund Chinn of Belleville, an aunt of the bride-elect, entertained with a similar party for Miss Chinn. The guests present from Granite City, were the bride, her mother and sister, and Mrs. Maxine Lamkin.

Miss Chinn will be married April 12 to Gerald Lamkin, a son of Mr. and Mrs. Austin Lamkin, 3028 Dale avenue. The wedding will take place at St. John United Church of Christ.

Party Honors Mrs. Kroteff

Mrs. Verka Kroteff, office supervisor of the Metropolitan Life Insurance Co., who is retiring after 41 years service with the company, was honored at a party Saturday evening at The Roundtable restaurant in Collinsville attended by former clerks, retired personnel and the present staff.

Mrs. Kroteff, who resides with her husband, Stephan, at 2608 Benton street, began her work with the company Oct. 1, 1928, as a stenographer, then worked on an agency during world war I, at which time she qualified for the company's production awards. In August 1951, upon the retirement of Miss Harriette Kroteff, she became supervisor of the office, the position she now retires from.

Mrs. Kroteff was secretary, vice-president and editor of the Southern Illinois Veterans' Chapter, and later when the Greater St. Louis area she was vice-president and president of the St. Louis Region Chapter of the Veterans of Foreign Wars. She is widely known in many parts of the company through her association with the Veterans Associations, numbering 43 Chapters with more than 15,000 members.

Mr. and Mrs. Kroteff have one daughter, Mrs. Joy Musante of Los Angeles, Calif., who came for the party, her arrival being timed as a surprise for her parents. There are also two grandchildren.

Richard Suess served as master of ceremonies. The guest of honor received many gifts, and greetings were read from out-of-town relatives and friends, and from former employees, most of whom were from out of the city. More than 100 guests were present at the party.

The new officer supervisor will be Mrs. Ralph (Jean) Price, who has been with the Metropolitan for 12 years. The assistant supervisor will be Mrs. John Kincer with 10 years service.

EASTER THEME AS SEERS CLUB MEETS

Mariann Yevin, president, opened the March meeting of the 58ers 4-H club Thursday at St. John's United Church of Christ. The pledge to the flag was led by Patti Brokaw and Kim Hunt led the 4-H pledge.

More than 100 guests were present at the party. The new officer supervisor will be Mrs. Ralph (Jean) Price, who has been with the Metropolitan for 12 years. The assistant supervisor will be Mrs. John Kincer with 10 years service.

A talk was presented by Donna Schilling on "Characteristics of a Good Home." Barbara Preston gave a talk on "Cotton Fabrics" and a demonstration was given by Nancy Hamilton on "Putting the Devil in Eggs."

Recreation was led by Janet Bunselmeyer and Janice Mueller. An Easter theme prevailed as refreshments were provided by Martha Mueller, Kathy Petrovich and Patti Brokaw.

Others present included the leaders, Mrs. Harriet Bunselmeyer and Mrs. Eva Mueller, Patti Bado, Janice Hamilton, Carla Hileman, Denise Lehmkuhl, Mary Jo Lux, Christy Lombardi, Susan Mobley, Mary Mueller, Joann Kamblek, Peggy Smolich, Brenda Wadlow, Jeanne Kunick, Rondice Wadlow, Crystal Andrews and Melissa Corcoran.

SPRING BRIDE, Mrs. Barbara Sechrest, who was married at the Church of God.

Miss Sechrest, Lonnie Lott Exchange Wedding Vows

The Church of God, 2301 Orville avenue, was the scene of the wedding Saturday of Miss Barbara Fern Sechrest, and L/Cpl. Lonnie Dale Lott.

The bride is a daughter of Mrs. Fern R. Sechrest, 2215a Grand avenue, and Hal Sechrest of Atlanta, Ill. Mr. Lott's parents are Mr. and Mrs. Charles H. Lott of Rural Route Two, Collinsville.

The Rev. Howard Downing performed the ceremony at 7 o'clock in the evening, and a reception was held afterward at the Travelodge.

Given in marriage by her brother, Durvin L. Sechrest, the bride wore a gown with a lace bodice and a floor-length skirt of organza with lace and sequin appliques. The bell sleeves also were trimmed with sequins, as was the Watteau chapel train.

A shoulder-length veil of imported silk illusion was attached to a large organza bow with lace and pearl trim. The bride carried white orchids and yellow roses on a Bible.

Miss Beverly Hindman, maid of honor, was dressed in a lavender gown of Chantilly lace with a mandarin collar and an organza overskirt. She carried a bouquet of white carnations tipped with yellow.

Marcia Lott, the bridegroom's sister, served as flower girl. She was dressed in yellow with white lace inserts and carried a basket of yellow petals.

Gary L. Lott, a brother of the bridegroom, was best man, and serving as ushers were Harold G. Lott, another brother, and David Hindman.

Miss Anita Lott, a sister of the bridegroom, presided over the guest book at the reception. Others assisting were Mrs. Velma Beal and Mrs. Minnie Strahle, sisters of the bride, Mrs. Georgia Hindman and Miss Linda Nelson.

Before her marriage, the bride was employed by the Granite City Steel Co. She was graduated from MacArthur high school in Decatur, Ill., where she was a member of the National Honor Society.

The bridegroom was graduated from Collinsville high school and enlisted in U. S. Marine Corps in 1967.

The couple will live in Quantico, Va., where L/Cpl. Lott is stationed.

Illinois Retailers

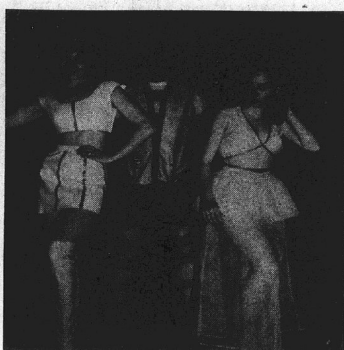

To Meet April 15-16

Advance reservations are due for the annual meeting of the Illinois Retail Merchants Association scheduled Tuesday and Wednesday, April 15 and 16, at the Hotel St. Nicholas in Springfield.

Referred to as "retailing's largest showcase in Illinois," the IRMA conference will feature Sen. W. Russell Arrington, president pro tem of the Illinois Senate, as guest speaker at a reception and retail executive's dinner at 7 p.m. April 15, and Illinois Gov. Richard B. Ogilvie addressing a 12:30 p.m. luncheon meeting the following day.

Three special workshops are scheduled from 1 to 5 p.m. April 15, dealing with "Credit," "Employee Relations," and "Special for Food Retailers." Topics to be covered include: "How does the truth in lending bill affect credit accounts?" "fresh information on recruiting, training and a new approach to bargaining-labor relations; and food inspection procedures and customer relation changes affecting everyday operations."

The IRMA is headed by Joseph T. Meek, president, and Hugh E. Muncy, executive vice-president and general manager. Its offices are located at 36 South Wabash avenue, Chicago.

ROMAN MUSICAL COMEDY. Currently in rehearsal for the Masquers' April 11 and 12 production of "A Funny Thing Happened on the Way to the Forum" are from left to right—Miss Diane Nocheff, who portrays a courtesan, Stanley Coleman as Hysterium, and Eric Mills, as Philia. All are from Granite City.

GC Teacher, Beautician, Student in Masquer Roles

A Granite City teacher, a high school sophomore and the owner-operator of a local beauty salon are among cast members of "A Funny Thing Happened on the Way to the Forum," to be presented by the Masquers Inc. on Friday and Saturday, April 11 and 12, at Webster Junior high school auditorium in Collinsville.

Appearing as a courtesan in the Masquers spring production of the hit Broadway musical will be Miss Diane Nocheff, a third grade teacher at Marshall school, who also is working toward her master's degree at

Southern Illinois University-Western campus.

A member of the Masquers for several years, having performed in "Oklahoma," "Carnival" and "Brigadoon," Miss Nocheff received the Masquers Award as "Best Actress in 1968" for her portrayal of Lotus Blossom in "Teahouse of the August Moon." She also serves as recording secretary of the Masquers board of directors and is choreographer for the present production.

Miss Nocheff attended Lindenwood College for two years where she danced and choreographed many Orchestras productions, and then transferred to SIU in Carbondale where she received her BS degree in Education.

While at SIU-Carbondale, she performed on television, at the Homecoming Coronation and in the Theta Xi variety shows and also served as choreographer for various on-campus groups. The local teacher has studied dancing since a small girl, appearing at many St. Louis supper clubs and also performed on KSTV in a weekly series for 18 months.

Stanley Coleman, who operates the "House of Stanley" in Granite City, will appear in the role of Hysterium in the Roman-era musical. He has studied voice for several years and is an accomplished pianist and organist. It will be his first appearance with the amateur theatrical group.

Coleman has served as director and historian for the Illinois State Board of the Illinois Hairdresses & Cosmetologists Association and is past president and styles director for the Elite Hairdresses, Affiliate 33 of Granite City.

Eric Mills, a GCHS sophomore, will play the role of Philia in "A Funny Thing Happened on the Way to the Forum." He previously appeared in Masquers productions of "Brigadoon" and "Carnival" as a chorus member and dancer and most recently in her first major role as Millie Owens in "Picnic."

The young actress has appeared twice with the St. Louis Municipal Opera in the children's chorus of "Gypsy" in 1963 and the "Hutcracker Ballet" in 1966. She has also participated in several school plays, among them "Of Thee I Sing" and "Rebel Without a Cause."

Tickets for the April 11 and 12 show may be purchased in advance from Masquers members or at the door the evening of the two performances.

Hit-Run Damage

A parked car owned by Charles W. Scott, 2115 Edison avenue, was damaged in the left rear at 1:15 a.m. Friday when it was struck by a hit-run auto. Madison police said Scott's car was parked in the 1100 block of State street when it was hit by a car whose driver fled the scene.

Consider Plans For Building At Worthen Park

Building sketches and preliminary plans for construction of a restroom and concession building at Worthen Park, modeled after that near the playground in Wilson Park, are to be prepared for the Granite City Park district board which is considering two types of construction.

Cost estimates for construction of a masonry and block building are to be obtained for comparison with costs of erecting a metal building.

The board approved the purchase of four new lawnmowers at a total cost of \$420, and awarded to the Sun Lumber Co. a contract for lumber to be used in building framework for installations for the Fourth of July picnic area.

The Wilson Park swimming pool is to open May 30 and will remain open since schools are dismissed at the same time. In past years the pool has been opened for Memorial Day holiday and then closed until schools dismissed for the summer.

Use of the Wilson Park ice rink pavilion for a 30-day "Crusade for America" program under sponsorship of the General Baptist Church was rejected because the length of the program would conflict too extensively with regular ice rink programs.

The Lutheran Bureau of the Tri-Cities was granted a request for use of the rink pavilion for Easter Sunrise Services, and permission was given the American Legion for use of the Wilson Park ball diamonds for games in the Legion's league play also was approved.

Communion Service at Nameoki United Methodist

A Communion service will be held on Maundy Thursday at the Nameoki United Methodist Church. The worshippers will receive Communion while seated at "The Lord's Table," with an empty seat symbolizing the presence of Christ.

A contemporary service of worship will be used for the receiving of the Sacrament. The service time is 7:30 p.m.

Army Engineer District Meets on Pending Floods

Col. Edwin R. Decker, District Engineer, U. S. Army Engineer District, St. Louis, said today that every effort is being made to prepare for what threatens to be one of the worst Upper Mississippi River floods of record.

In keeping with President Nixon's program for the commitment of all local resources, all state resources and federal resources, as needed, a group of top Missouri and Illinois state officials met with federal representatives in the St. Louis District office to determine means of cooperating with local communities with a view toward minimizing possible flood damages which could possibly exceed those experienced in 1965.

Local officials will inventory their apparent needs, determine what portion can be met locally, and request federal assistance for such required aid that is beyond their individual capabilities.

The meeting was attended by Charles S. Woods, deputy regional director of the Office of Emergency Preparedness, Region 4, Battle Creek, Mich.

RIDC Sending 'Task Force' To Philadelphia

A task force of Illinois and Missouri industrial development, real estate and financial leaders will move into Philadelphia the week of May 18 in a major effort to persuade Philadelphia-based firms to consider this bi-state metropolitan area as a site for branch plant operations.

D. Reid Ross, executive vice-president of the Regional Industrial Development Corporation (RIDC) announced today.

"Economic data compiled during 1968 on Philadelphia indicates that some firms there would be receptive to proposals to consider this area in their future expansion plans," Ross said.

In May 1968, a similar RIDC-sponsored task force blanketed the Cleveland area explaining the opportunity for higher profits in the Illinois-Missouri area to 257 firms in that Ohio city.

Like the Cleveland expedition, "Operation Philadelphia" has been tailored to include all of the area's manufacturing firms with more than \$1 million in sales and at least 100 employees.

Have selected 368 Philadelphia firms as targets," Ross said. "We hope to convince them that this area offers attractive profit opportunities in several different fields. Each firm to be contacted has its home office in Philadelphia, so we know that each firm is capable of making decisions concerning the location of branch plant operations."

The effects of last May's "Operation Cleveland" are still being felt, Ross declared: "Our task force talked to 257 Cleveland-based manufacturing firms and 41 of them are still actively interested in possible expansion into our metropolitan region."

RIDC serves eight counties: In Illinois—Madison, St. Clair and Monroe; and in Missouri—St. Louis, Jefferson, Franklin, St. Charles and the City of St. Louis.

5 Lands Featured at International Dinner

A hundred River Bluffs Council District Four Girl Scout leaders attended an international dinner Thursday evening at the Madison recreation center.

The annual event was under the direction of Neighborhood Three, with the general chairman Mrs. Jo Ann Jarrett, Mrs. Mary Fryntko and Mrs. Joyce Lawson.

Other chairmen and neighborhoods represented were One, Mrs. Jackie Frizzell; Two, Mrs. Pat Ridney; Four, Mrs. Denise Schmitz; and Five, Mrs. Jeri Schieb.

Each neighborhood represented a foreign country: One, Italy; Two, Yugoslavia; Three, Switzerland; Four, Ireland; and Five, Mexico.

The leaders arrived in colorful costumes and brought dishes native to their chosen countries.

Following a pot luck dinner, a fashion parade was held, with Mrs. Shirley Brown and Miss Helen Canada, a staff member of the local council, as judges.

Group awards were won by Neighborhood One as the best presentation and Two as the prettiest group.

Individual winners were: Neighborhood Three, Mrs. Doris Stotz, most authentic costume, "Switzerland Boy"; Four, Mrs. Shirley Long, most original, Irish leprechaun; and Five, Mrs. Audrey Jay, most original, "Scarface Bandito."

Mrs. Jarrett served as toastmaster. Neighborhood One gave a comic history of Italy narrated by Mrs. Maxine Tawney and the group sang an Italian song.

For Neighborhood Two, Mrs. Venka Ambuehl, whose parents are from Yugoslavia, gave a clothing demonstration and told about some of the customs.

The leaders performed a Macedonian dance, "Trampka." Neighborhood Three was in charge of games and prize winners were Mrs. Willie Sole, Mrs. Doris Wood, Mrs. Mary Rita Ahlers, Miss Carol Williams and Mrs. Shirley Brown.

Other prizes were won by Mrs. Betty Kating and Mrs. Helen Grotz.

Neighborhood Four, with Mrs. Maude Bates as master-of-ceremonies, entertained with

an "Irish Wash Woman" number and a leprechaun danced an Irish jig.

Mrs. Helen Santagato read a poem on "Brotherhood" and closed the program with a disappearing tunnel after Mrs. Wilma McQuimney of Neighborhood Five had each group break a pinata and Mrs. Marge Cockrell performed a fire-eating act.

Decorated Easter cakes were presented to the associate grand matron and associate grand patron, as well as gifts from the chapter to the advancing matron and patron, Mary

Chapter 650 Advance Night

Granite Chapter 650, Order of Eastern Star, held an "advance night" Friday evening at the Masonic Temple.

Blue candles in the East were lighted by Beulah Wieneke of Calhoun, and Betty Revell of Edwardsville.

Ruth H. Nielsen, associate grand matron, was a special guest, and guests in the East were Dorothy Fitzpatrick, of Granite chapter, and Lenia Knowles of Belleville, grand lecturers.

Twelve officers dressed in pink escorted Ethel Keller, grand representative of Virginia in Illinois, and eight grand lectures from Granite and New Hope chapters in Granite City: Wood River, Collinsville, and two chapters in East St. Louis, Rob Morris and Queen City; one past grand officer; 28 grand chapter committee members, seven worthy matrons and patrons; 16 past matrons and patrons; ten associate matrons and 14 associate patrons not serving in stations and ten conductresses, and four associate conductresses.

Decorated Easter cakes were presented to the associate grand matron and associate grand patron, as well as gifts from the chapter to the advancing matron and patron, Mary

L. Bilbrey and Earl French, by associate patrons in the area. Appropriate remarks were made by the guests in the East and luncheon was served after the meeting to about 200 members and guests.

Decorations on the table were yellow candles in golden holders, and favors were blue and yellow baskets holding yellow roses and wheat. The centerpiece was an arrangement of yellow snapdragons, daisies and wheat on an open Bible.

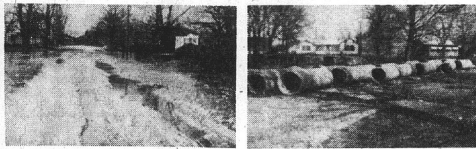

Mrs. Cora Hettich is worthy matron of the chapter and John DeHart is worthy patron. Mrs. Hulda Griffith was assistant.

SOCIETY

MRS. DOUGLAS R. GIVENS, who was married Saturday, at Nameoki United Methodist Church.

Miss Linda Louise West Is Bride of Douglas Givens

Miss Linda Louise West, a daughter of Mr. and Mrs. Eric F. West, 3400 Lydia lane, and Douglas Randall Givens of Scott Air Force Base, son of Mrs. O. H. Wilkenson Jr. and the late Glenn S. Givens, Lakewood Hills, Pacific, Mo., were married Saturday evening at Nameoki United Methodist Church.

The Rev. William D. Fester officiated at the 7:30 service before the altar decorated with white chrysanthemums and white bows on the pews.

Mrs. Russell West, an aunt of the bride, presided at the organ and accompanied the violin soloist. Miss Linda Beane, as she played the Lord's Prayer. Mr. West gave his daughter in marriage. She wore a gown of white organza featuring a high Victorian neckline, an Empire bodice and long sheer bishop sleeves. The front of the gown was enhanced with small tucks extending from the neck to the floor and bordered on each side with rows of Venice lace. The lace was repeated around the cuffed sleeves and the detachable court train.

A full, bouffant elbow-length veil was held in place with a band of lace, crystals and pearls. The bride carried a nosegay of stephanotis and white roses.

Attending were Mrs. Carol Poole and son, Bryan; Mrs. Elaine Prince and daughter, Dawn and Michael; Mrs. Kathy Dohal and sons, Steven and Vincent; Mrs. Rosalie Bunte and son, Tom; Mrs. Betty Colligan and sons, Jeffrey and Greg; Mrs. Gerry Mendez and children, Richard and Laura; Mrs. Barbara Ollis and children, Frank and Deanna; Mrs. Mary Firtos and children, Robert and Patricia; Mrs. Mary Modica and daughter, Janine; Mrs. Betty Arbeiter and daughter, Kathy; Pamela Peters, Betty Bucatch and Carole Moeshagian.

Attending were Mrs. Carol Poole and son, Bryan; Mrs. Elaine Prince and daughter, Dawn and Michael; Mrs. Kathy Dohal and sons, Steven and Vincent; Mrs. Rosalie Bunte and son, Tom; Mrs. Betty Colligan and sons, Jeffrey and Greg; Mrs. Gerry Mendez and children, Richard and Laura; Mrs. Barbara Ollis and children, Frank and Deanna; Mrs. Mary Firtos and children, Robert and Patricia; Mrs. Mary Modica and daughter, Janine; Mrs. Betty Arbeiter and daughter, Kathy; Pamela Peters, Betty Bucatch and Carole Moeshagian.

The rehearsal dinner was given at the Heritage House in St. Louis by the bride's parents. The tables were decorated with flowers and candles and about 40 were present.

MRS. GRISSMAN Candidate for Award

Mrs. Grissman Is Nominated

A large group of politically interested citizens attended a "candidates night" program of the Granite City Republican Women's Club Thursday evening at The Travelodge.

Mrs. Darlene Diel, president, was in charge and the regular meeting format was abandoned.

Mrs. Maxine Grissman, the local club's candidate for "Madison County Republican Woman of the Year" award was introduced by Mrs. Diel.

A winner is to be named from one of the 11 federated Republican women's clubs in Madison county at the sixth annual county meeting April 21.

The program chairman, Mrs. Mattie Shackelford, introduced Mrs. Darlene Bayer, campaign committee chairman, and after keynote remarks by Mrs. Bayer, Dr. Merrill Ottwein, candidate for senator, spoke on "People Power."

Other speakers were Mayor Donald Partney, Robert Stevens, candidate for city clerk; Paul Simon, candidate for city treasurer; and candidates for alderman, William Dallas, Ward One; Cassim Skubish, Ward One; Sam Shackelford, Ward One; Paul Rutledge and Edwin Bartosik, Ward Two; R. E. Robertson, Ward Four; Henry Kovalik, Ward Six; and Frank Vesel, Ward Seven; James Barton, candidate for tax assessor; David McFarland, candidate for supervisor; Carl Buehler, candidate for assistant supervisor, and Milton Allen, candidate for assistant supervisor. Park district candidates Paul Thompson and Robert Patrick, also spoke.

Sorority Holds Easter Egg Hunt

The annual Easter egg hunt by Alpha Xi Chapter of Epsilon Sigma Alpha sorority for children of members was held Saturday afternoon in the sunken gardens at Wilson Park.

Each child received a decorated basket of candy to hold the eggs, and after the hunt the group went to the nursery room of St. Peter United Church of Christ where refreshments were served and there was a story period conducted by Carole Moeshagian.

Attending were Mrs. Carol Poole and son, Bryan; Mrs. Elaine Prince and daughter, Dawn and Michael; Mrs. Kathy Dohal and sons, Steven and Vincent; Mrs. Rosalie Bunte and son, Tom; Mrs. Betty Colligan and sons, Jeffrey and Greg; Mrs. Gerry Mendez and children, Richard and Laura; Mrs. Barbara Ollis and children, Frank and Deanna; Mrs. Mary Firtos and children, Robert and Patricia; Mrs. Mary Modica and daughter, Janine; Mrs. Betty Arbeiter and daughter, Kathy; Pamela Peters, Betty Bucatch and Carole Moeshagian.

MRS. GARY HEIDINGER, a bride of Saturday. The former Sandra Ellen Wood, her wedding took place at St. Paul United Methodist Church in Rosewood Heights.

Miss Sandra Wood Becomes Bride of Gary Heidinger

Miss Sandra Ellen Wood, Hamilton, sister of the bride, was in a white lace dress with daisy trim. She carried a basket of petals.

Michael Hamilton was his brother's best man, and Vernon Anderson and John Gibson were groomsmen. Two brothers of the bride, Charles and Lester Wood, seated the guests.

The bride wore a gown of white silk organza over taffeta. It was styled with a shallow, scoop neckline and long sleeves. Lace motifs with pearls and crystals formed a yoke on the Empire bodice and trimmed the sleeves. A full court train, extending from the shoulders, was trimmed with rows of matching lace. A bouffant tiered veil of illusion was secured to the bride's hair with a bow, and she carried a bouquet of daisies and roses.

A sister of the bride, Miss Barbara Ann Wood, was maid of honor, serving with two bridesmaids, Miss Sharon Mowery, and Miss Phyllis Heidinger, a sister of the bridegroom. They were dressed alike in yellow dotted Swiss, the Empire bodices of their gowns trimmed with daisies. Both carried bouquets of daisies.

A little flower girl, Sandy Hamilton, sister of the bride, was in a white lace dress with daisy trim. She carried a basket of petals.

Double-Ring Ceremony for Laboray-Campbell Nuptials

The wedding of Miss Leta Campbell, a daughter of Mr. and Mrs. Robert Campbell, 3221 Miracle avenue, and Ronald Laboray, a son of Mr. and Mrs. Lewis Laboray Jr., 3083 Myrtle avenue, took place Saturday afternoon at the United Pentecostal Church with the Rev. Kenneth Reeves officiating at three o'clock.

Altar bouquets decorated the church for the double ring ceremony. The bride was given in marriage by her father. She wore a gown of antique lace with a bouffant skirt formed of tiers of lace, a fitted bodice accented with sequins and a chapel train. A forward headpiece of leaves, adorned with pearls and crystals secured a bouffant veil of illusion and the bride carried a tear drop arrangement of white carnations with an orchid corsage.

Betty Baker presided at the organ, and Sandy Baker was soloist. The latter sang "Because."

Miss Carolyn Parkman, a cousin of the bride, as maid of honor, and another cousin, Miss Marcia Hull, Miss Jane Howard and Miss Pat Hammack, bridesmaids, wore identical gowns of medium blue with A-line skirts and overlays of lace. They wore matching nose veils and carried blue tinted carnations.

Gary Hotz was best man, and groomsmen were Lewis Laboray Jr., Fred Laboray and Dennis Laboray, brothers of the bridegroom. Mike Campbell, a brother of the bride, and Donald Griffin, cousin of the bridegroom, served as ushers.

Hearing Continued in Rich Contract Case

A hearing for E. R. "Pat" Rich, candidate for re-election for city treasurer, on a charge of having a pecuniary interest in a city contract was continued for two weeks Friday morning in magistrate's court at Edwardsville.

An agreement for the continuance was reached prior to the hearing by Marshall Smith, assistant state's attorney, and Rich's attorney.

A motion to quash a summons served upon Rich last Tuesday afternoon was entered in his behalf as he was not given a required minimum of three days to prepare a defense before

the hearing date. The motion was argued.

Smith said he set the early date to give Rich an opportunity to defend himself against the charge before the election, which will be held Tuesday. Rich denied that he or his firm, the Rich Oil Co., has ever held a contract with the city, but said his firm served as a delivery agent for the Mobil Oil Co. which was granted a contract by the city for the 1967-68 fiscal year.

Meanwhile, George Teller, assistant chief of police, denied that he had served a blank summons upon Rich as previously reported. He said he received the document signed by a magistrate and filed it out himself under the direction of the assistant state's attorney.

24 Quad-City Youths Report for Draft Friday

Mrs. Maude Corrie, Dies; Former Resident

Mrs. Maude Corrie, 74, a former 30-year resident of the Quad-Cities, died about 2 p.m. Thursday at the United Methodist Home in Lawrenceville, Ill. She had been moved recently to the home from the Mamie Doud Eisenhower Osteopathic Hospital in Colorado Springs, Colo., where she had resided the past four years.

A native of Carlyle, Ill., Mrs. Corrie was a member of Niederrhous Memorial United Methodist Church, where she formerly taught Sunday school classes for many years. She also was a member of New Hope Chapter 422, Order of the Eastern Star, Daughter's of Union Veterans of the Civil War, and a former adviser to Bethel 43, International Order of Job's Daughters.

Mrs. Corrie was a daughter of the late Mr. and Mrs. W. J. Franklin of Madison. Her husband, J. E. Corrie, a sales engineer with Jenson-Wright Corp., and widely-known Boy Scout volunteer official, died Dec. 9, 1968.

Surviving are two foster children, Louis Berry of Granite City and Mrs. Rosalie Welch of Jerseyville; two sisters Mrs. Charles (Viola) Beck and Mrs. Newman (Hazel) Reynolds, both of Granite City; a brother Walter Franklin of St. Louis; five foster grandchildren and four foster-grandchildren. Funeral services were held at 1 p.m. today. Arrangements are being in the obituary column.

Warrior Boosters to Attend Benefit Game

Boosters of the Fighting Warriors will not have a regular meeting Tuesday evening, but instead will attend the Lettermen vs. Faculty basketball game to be held at 7:30 p.m. tomorrow in Memorial gym at the high school.

Emerald Dawes, Boosters president, is urging all members and friends to attend the benefit game to raise funds for the Lettermen's Club. The next meeting of the Boosters will be held at 7:30 p.m. Tuesday, April 15, at Grigsby junior high school.

Man, 83, Injures Hand

Adam Beyer, 83, of 916 Third street, Venice, injured his left hand when it became caught in a door at the Venice public library Friday morning. He was taken to St. Elizabeth Hospital where 24 sutures were taken and was released following treatment.

The 24 Quad-City area youths who were drafted Friday morning were given ditty bags and served coffee and doughnuts by the Tri-Cities Chapter, American Red Cross.

Greeting the youths at the 6:30 a.m. induction in the county selective service office, Edwardsville, were Mrs. Mildred Fehling and Mrs. Hulda Davis, both of Granite City.

The draftees, who left by bus for the St. Louis examining station and assignment to training camps, are—

Sunrise Services

At Fairview Heights

Rev. Harold Paul, pastor of St. John United Church of Christ, Fairview Heights, has announced the seventh annual Easter sunrise service to be held from six to seven o'clock Sunday at Lakeview Memorial Gardens on Highway 159.

The clergy of the churches of the area rotate the various portions of the service and this year Rev. Paul will bring the Easter message. Special vocal numbers by a girls sextette will be heard and there will be numbers by the trumpeters and congregational singing. Lakeview Gardens is located on Route 159 one mile south of the intersection with Route 50.

Easter Sunrise Service At JB National Cemetery

On Sunday, at 6:30 a.m., an Easter Sunrise service will be conducted at the Jefferson Barracks National Cemetery, sponsored by the Jefferson Barracks National Cemetery Assistance Committee representing 14 Veterans organizations. The program is non-sectarian.

At 6:25 church call will be blown by American Legion 10th District Bugler Andrew Scrol. Ample seating will be available and in the event of inclement weather, services will be held in the Hospital Chapel. Serving on the committee is Richard F. Mathias, chairman, and Tony Fusco, public relations.

With the induction, 30 Quad-Cityans have been drafted this year, compared with 49 in the same period last year.

Next month, 21 local youths are to be drafted April 18, and on the same date, 45 men are to report for pre-induction physical examinations.

On Friday, a group of 25 Quad-Cityans also reported for pre-draft physicals.

TEN MORE REASONS WHY DON PARTNEY MERITS YOUR VOTE AND SUPPORT THIS IS A MATTER OF RECORD

★ Mayor Partney's Record Candidate for Re-election

COMPARE THESE RECORDS OF SERVICE TO OUR COMMUNITY

1. MAYOR PARTNEY

Was elected as our first full-time mayor. HE has been a full-time mayor.

2. MAYOR PARTNEY

Has missed only two council meetings in his term of office.

3. MAYOR PARTNEY

As mayor and as alderman has always had his phone listed in the phone book for the convenience of our citizens.

4. MAYOR PARTNEY

Initiated the hiring of a part-time traffic engineer.

5. MAYOR PARTNEY

Places funds in budget for public engineer as per ordinance No. 2178 passed the 21st day of September, 1964.

6. MAYOR PARTNEY

Initiated Ordinance No. 2247 adding a personnel committee to the city code May 24th, 1965, to be responsible for the over-all negotiations of all wage and salary schedules or employment contracts for the city and to interview all applicants for employment, make recommendations to the city council and heads of the various departments for employment.

7. MAYOR PARTNEY

Refuses to accept present garbage contract with the Milam Corporation, the higher bidder.

8. MAYOR PARTNEY

Is in favor of cutting our fire insurance rates by adding equipment and men to our fire department.

9. MAYOR PARTNEY

Is in favor of a stronger air pollution ordinance with city's own testing equipment.

10. MAYOR PARTNEY

Had a certified traffic engineer, with 14 years of experience for State of Illinois, to lay out a traffic program for our entire city.

Alderman Boyd's Record Candidate for Mayor

COMPARE THESE RECORDS OF SERVICE TO OUR COMMUNITY

1. ALDERMAN BOYD

Was elected as alderman of the third ward to attend three council meetings per month. HE has been a part-time alderman.

2. ALDERMAN BOYD

Has the poorest attendance record of any alderman on the council—in the past four years, he has missed 27 council meetings (equal to 9 months of service).

3. ALDERMAN BOYD

Is not listed in the phone book. This has made it difficult for his constituents to contact him.

4. ALDERMAN BOYD

Voted to take money out of budget for payment of traffic engineer.

5. ALDERMAN BOYD

Voted to remove the amount of salary allowed by ordinance No. 2178 for public engineer. This is why Granite City does not have an engineer—as engineers also have to be paid.

6. ALDERMAN BOYD

Voted May 1st, 1967, to remove Ordinance No. 2247 from the city code, as this ordinance removed all jobs from the patronage system. Alderman Boyd as chairman of a special negotiation committee, refused to meet with international representatives of council No. 44 Federation of Municipal Employees. Policemen and firemen thereupon picketed the city hall.

7. ALDERMAN BOYD

Voted to accept the higher bidder on garbage contract with a dumping fee to the taxpayer.

8. ALDERMAN BOYD

Voted to remove this money from the appropriation ordinance July 22, 1968.

9. ALDERMAN BOYD

Voted to remove this money from the appropriation ordinance June 17, 1968.

10. ALDERMAN BOYD

With no engineering degree — nor any engineering experience — reversed the engineer's traffic plan. This accounts for the traffic mess in our city today.

Review the qualifications and experience in business, public or private enterprise of the two candidates, then raise your voice at the ballot box Tuesday, April 1, 1969. Your one vote is always important. A few votes — EVEN ONE VOTE — can decide an election. Circle your calendar, now!

Twenty-four Eagle Scouts will attend the eighth Eagle recognition dinner, to be held 6:30 p.m. next Monday at the Southern Illinois University-Southern campus.

At this special benefit, these Eagle Scouts from the (Class of 1968) Cahokia Mount Council, Boy Scouts of America, will be honored for attaining the highest rank for a young man in scouting. During the day of April 7, they will be accompanying sponsors, who are in the line of work, that these young men are interested in making their future vocation.

Many diversified vocational areas have been selected by such as industrial, educational or business management line.

Joseph Lucco, principal of Edwardsville high school, will be the guest speaker. He has served in various capacities in the community; high school social studies teacher and basketball coach at Edwardsville high school. As a coach, he coached the high school's team to three state tournaments in basketball and baseball. Since then, he has been working in the Edwardsville school district's administration as administrator assistant to the superintendent, assistant principal of the high school and now as principal.

Those boys who will be honored at this Eagle Recognition Dinner are the following:

JOSEPH LUCCO Guest Speaker

Michael Brunson, Craig Tar-poff and Tom Beck, Troop 15, Fraternal Order of Eagles, Granite City; Bruce Evans, Post 6, Concordia Lutheran Church, Laymen's League, Granite City; Richard Grotelund, Post 12, Niedringhaus Fire Department; James Men-dor, Post 6, Concordia Lutheran Church, Laymen's League; Richard Myers, Troop 41, Mitchell school PTA; Dennis Foret, Post 94, Granite City Site Management Club.

Duane Ohm and Paul Schrage, Post 35, Trinity Lutheran Church, Edwardsville; Ross Kile, Troop 71, First Christian Church, Edwardsville; Fred Sloan, Troop 39, Methodist Men's Club, First Methodist Church, Collinsville; and David Tognarelli and Michael Patel, Troop 83, St. Peter and Paul Roman Catholic Church, Collinsville.

GC Taxes to Exceed \$9 Millions This Year

Granite City taxpayers will be billed this year for payment of \$9,023,646 in 1968 taxes, an increase of \$1,070,000 over last year's billing of \$7,953,646 in 1967 taxes, according to computations based on new tax rate figures released by the office of County Clerk Eulalia Hotz.

The sharp rise in tax bills will result from a combination of increased property assessments amounting to \$172,076,835 for the 1968 tax year and a new total overall tax rate of \$5.244 per \$100 assessed valuation for all six Granite City taxing agencies.

The new Granite City rate of \$5.244 announced by the county clerk's office is an increase of 84 cents per \$100 assessment over the 1967 rate of \$4.404 on which last year's tax bills were extended. The assessments on which this year's bills will be figured is \$172,076,835, compared to \$166,976,285 for the previous year.

Must Add Delinquency Actually the total amount of bills in Granite City for 1968 will exceed the \$9,023,646 year of 1968 taxes, since this figure does not include prior tax delinquencies which are carried over from year to year in the annual billing process.

The Granite City total figure also will include taxes extended against the railroads, although these bills are paid directly to the county treasurer and not to the local collection office.

Taxpayers in the cities of Madison and Venice, the village of Pontoon Beach and Nameoki and Chouteau townships also will pay higher tax bills this year because of similar conditions.

Property valuations have been increased in all of these taxing areas and the overall rates of the cities and townships have increased. Amount of tax extensions in these localities, however, are not available pending extension of new rates against local valuations to determine the amount of taxes due.

In Venice township, the 1968 property valuations have been increased to \$20,853,269 from 1967 assessments of \$2,409,010, while the overall rate of seven taxing agencies in the city of Venice has increased to \$4.503 per \$100 assessment from last year's figure of \$4.306, for taxpayers who live in Venice school district 12.

The city of Madison, which employs the same township, county and levee district tax rates as the city of Venice, has a new overall tax rate for its six taxing agencies amounting to \$4.653 per \$100 assessed valuation, compared to \$4.495 for the 1967 tax year, for property owners living in Madison school district 12.

The overall tax rate in the village of Pontoon Beach (Nameoki township) has been fixed at \$4.528 compared to \$4.663 the previous year. The overall rate for five major taxing agencies of Nameoki township increased for the 1968 year to \$4.518, up from \$3.971.

In Chouteau township, the combined rate of six taxing agencies is \$4.558, compared to \$4.528 the previous year. Most of the rate increases in the Granite City-Nameoki-Chouteau area result from a 42-cent increase in the rate of Granite City school district 9.

(?) Denotes last year's levee district tax rate. The 1968 rate has not yet been determined. All 1968 rate totals are computed on the 1967 rate of 42.5 cents and are subject to change.

The above rates are listed in such a way that they reflect the majority property owners in the separate taxing areas. For taxpayers living within the boundaries of different governmental groups, the overall rates will vary accordingly.

Persons living in the Long Lake fire district in Nameoki township should add 10 cents to other rates to determine their total local rate. Those in the Miracle Manor-Bellemeor Place Lighting district should add 10.3 cents. In State Park Place, taxpayers of the lighting district should add 12.5 cents.

Venice township residents who live in the Granite City school district should add 12.40 cents to the Venice school rate. In all cases the overall rate can be determined by adding the rates of governmental districts in which they live.

The overall rates are applicable to each \$100 assessed valuation.

Deposit Forms Mailed For Corporate Taxes

The Internal Revenue Service mailed Federal Tax Deposit Forms 903 to corporations on Friday for their use in depositing their 1968 corporate income taxes, Jay G. Philpott, district director for central and southern Illinois, announced.

He emphasized that the deposit forms are for the entire 1968 tax year and should be retained and used by the corporations for their quarterly tax deposits and for the final deposit when filing their 1968 corporate income tax return.

Philpott cautioned corporate taxpayers regarding the importance of retaining or destroying the forms which were to be used for the final payment of their 1968 tax. As a result, they had to request special handling in order to obtain another Form 903 for their final deposit.

He said that during 1968, many corporations apparently misplaced or destroyed the forms which were to be used for the final payment of their 1968 tax. As a result, they had to request special handling in order to obtain another Form 903 for their final deposit.

Financial Aid to Students Up 400% at SIU-SW Campus

Southern Illinois University-Southern campus, has increased its financial aid to students by more than 400% since the 1965-66 fiscal year, according to a recently completed study by the University's Student Work and Financial Assistance office.

Financial aid topped the \$2.5 million mark as 20 different programs were made available to students. The programs represented a mixture of student work programs, state scholarships and grants, and federal scholarships and loans.

The on-campus student work program headed the list as nearly \$900,000 in wages were paid to students working during the past fiscal year. More than 1200 students made use of this program.

Significant also was the number of girls taking advantage of educational opportunities at the University made available thru the GI Bill. More than 600 servicemen received a half million dollars in financial aid at the Southern campus.

The magnitude of the student work and financial assistance program at SIU-SW is reflected by the fact that nearly 5000 persons received more than \$2.5 million in financial aid at the University during the 1967-68 fiscal year.

Adult Spring Classes To Begin at YMCA

Special spring classes for adults will be conducted by the YMCA beginning next Monday according to Marvin Van Metre, executive director.

Persons interested may register at the "Y" or call for further information.

Mrs. Kay Jones, "Y" dance instructor, will hold the third annual spring ballroom dance classes beginning April 8.

Tuesday evening sessions are scheduled for 7:45 to 8:45 p.m. for basic steps and 9 to 10 p.m. for intermediate dancers. The cost is \$15 for "Y" members and \$17.50 for non-members.

Mrs. Sam Meyer will hold an advanced bridge course for those who have completed a basic bridge course or who have playing experience. Ten Wednesday sessions will run from April 9 through June 11 from 7:30 to 9:30 p.m. The fee is \$10 for members and \$12 for non-members.

Fordy Valdez, former golf pro at the Cloverleaf course in Alton, will instruct golf classes. Six Thursday evening sessions will be held from 8 to 9 and 9 to 10 p.m. beginning April 10 in the "Y" gym. One word and one iron will be required. The fee is \$6 for members and \$10 for non-members.

An introduction to guitar course will be held from April 10 through May 14. Ronald Ireland, a member of the "Y" staff and a professional guitarist who graduated from the Berklee School of Music in Boston, Mass., will be the instructor.

The classes are open to adults and teenagers, at least in the ninth grade. Two classes will be held, including one from 7 to 9 p.m. Thursdays beginning April 10, and the other from 9:30 to 11:30 a.m. Wednesdays beginning April 15.

The classes will run for six weeks. The fee for teenage members with \$15 membership will be \$5, for teenage non-members, \$6, for adult members, \$8, and for adult non-members, \$12.

Dallas a 'Chairman' Not a 'Chairman'

A one-letter typographical error in a political biography of William Dallas, incumbent alderman of Ward One who is seeking re-election, gave the wrong impression of his occupation, Dallas pointed out Friday.

The biographical material, published last Thursday, listed Dallas' employment as "chairman" at Granite City Steel Co.

"That's a mighty good job and if I had that I wouldn't be worrying about getting elected," Dallas said. "Actually," the alderman corrected, "I am a 'chairman' at Granite City Steel."

Ministerial Association Sets Noon Good Friday Services

The annual Union Good Friday Service under the sponsorship of the Quad-Cities Ministerial Association will be held next Friday at noon, with the one-hour service to be conducted in the sanctuary of Niedringhaus United Methodist Church, 20th street and Delmar avenue.

The Call to Worship will be led by the Rev. Paul R. Surbey, president of the Ministerial Association and pastor of St. John United Church of Christ. Rev. Dr. David B. Maxton of the First United Presbyterian Church will read the scripture lesson.

The period of prayer will be led by the Rev. Allan Greff, pastor of the First Assembly of God. The host pastor, the Rev. R. Paul Sims, will make the necessary announcements and receive the offering.

The sermon will be delivered by the Rev. Father Roger Simpson, pastor of Queen of Peace Catholic Church of Bethalto. The guest speaker will be introduced by Rev. Father Lawrence Mattingly of St. Elizabeth parish of Granite City.

The service will be concluded with the congregation joining in a litany of repentance and reconciliation led by the Rev. Fred Oliver of Bethel AME Church in Madison. This litany will be used to commemorate the first anniversary of the death of Dr. Martin Luther King.

Antems for this community service will be sung by a choir.

'Y' Offering Swimming Classes for Children

The YMCA will sponsor a free two-day "Introduction to swimming" event for boys and girls from grades three to eight on Friday and next Monday.

Each participant will be enrolled in a one-hour session on each of the two days, with sessions set for 9, 10 and 11 a.m. with afternoon periods if needed.

Classes will be filled on a first-come, first-served basis, with registrations being accepted by phoning the "Y" youth department.

Each swimmer must furnish his or her own bathing suit and towel. Girls will be expected to wear caps.

The program is being held to introduce youngsters to the type of swimming instruction offered at the "Y." Some life guards and instructors will demonstrate the various types of strokes used in swimming. Participants then will be given a chance to practice.

Chouteau Is. Residents Concerned over Floods

Trustees of the Chouteau Island levee district started last week to prepare for high water and in carrying out repairs to the levee expressed concern over possible flood conditions on the island with 80 to 100 inhabitants.

The trustees said they were worried about the possible inundation of the island and that health conditions might become dangerous due to the dumping of chemicals and other debris at the landfill sites on the island.

MORE ABOUT 3 Men Caught

Chief Madison county deputy sheriff who investigated, said that the auto was owned by Cecil Bell, identified as the president of the Black Egyptians in East St. Louis. Nichols impounded the auto.

The sheriff's office said that Bell had started to work at 11 p.m. and had \$35. A motorist who stopped at the station for service noticed that the building was open but that the attendant was gone. He called authorities.

Burned House Entered

Two radios and a guitar valued at \$174 were stolen in a burglary at the home of Phyllis Tomlinson, 2608 East 23rd street, it was reported at 10 a.m. Saturday. The house was unoccupied as it was damaged by fire early Friday. Entry was gained through a bedroom window.

The glass in a cigarette machine was broken, but apparently nothing was taken, in a burglary at Andy's Sinclair service station, 23rd street and Madison avenue, it was reported at 7 a.m. Saturday. Entry was gained by breaking a window. The intruder apparently cut himself as a few drops of blood were found inside.

Three St. Louis teenagers were taken into custody by Madison police at Second and Jackson streets at 1:50 a.m. Sunday after the auto in which they were riding went through a stop sign. Police discovered the 1965 convertible coupe had been stolen from Mrs. Myrtle Lester of St. Louis. The youths were ordered held for investigation under the federal Dyer Act.

1959 Auto Stolen, Found

Barbara Parris, 2863 Madison avenue, reported to police Sunday morning that her 1959 two-door blue auto had been stolen from a parking space outside her home. The car was located at Rode avenue and West Pontoon and was damaged, police said.

A burglar entered the basement at the home of Dale Hardesty, 2457 Edwards street, and stole two chrome wheels and tires, valued at \$110, it was reported to police Sunday.

A neighbor heard glass breaking at the Skelly service station, 12th street and Edwards street, in an attempted break-in at 1:15 a.m. Saturday. Three youths were seen running from the station. A pane in an overhead door was broken, but there was no entry.

A tent, a lounge and an unknown amount of beer and soda were stolen in a burglary at a clubhouse on Horseshoe lake along Route 162 owned by Firgil Farrar, East St. Louis, he reported to the Madison county sheriff's office at 4:40 p.m. Sunday.

were a power drill, power saw and vibrator sander.

Venice and Madison police were alerted shortly before noon Saturday that three youths were seen loading scrap copper from the Purdy Co. in the trunk of a white 1959 auto. The car disappeared before the squad cars arrived. A representative of the company was contacted and upon inspection the premises said about two barrels of scrap copper were missing.

Mrs. Claude Miller, 13 Shirwin drive, reported Thursday that two white satin lace ring bearer pillows valued at \$25 were stolen from St. John United Church of Christ, 2001 Nameoki road, after Feb. 8.

Margaret Gerbic, 1931 Edwardsville road, reported Thursday that gasoline was siphoned from a truck parked at the Comfort Heating Co., 3000 Myrtle avenue, at about 2 a.m. A neighbor saw several boys run from the truck.

Karl Linhart, 2548 Delmar avenue, reported at 12:15 p.m. Thursday that while his 1961 auto was parked in his garage, someone tore out the glove compartment and took two flashlight and a dark gray dress hat.

A green 1965 two-door auto was stolen from the Mosley Auto Sales lot, 1441 Madison avenue, after 8 p.m. Friday, it was reported at 9 a.m. Saturday.

"GRANITE CITY PUBLIC"

Don't Be Misled... VOTE NO!

Certain people are asking you to vote "yes" to reduce the number of Aldermen on the City Council in Granite City. This means one Alderman per ward. They say this will save you money. This is not true, this can cost you money. Senate bill #211 provides that an Alderman may receive \$75.00 per meeting — which means \$225.00 per month or more. To properly take care of all the City business it probably would be necessary for the meetings to be doubled or perhaps tripled. A vote yes will also eliminate any and all shift workers from the Granite City Council. This is not fair to the working people in Granite City. A vote yes means also that the Mayor and four Aldermen will control Granite City.

Seven Injured in 34 Mishaps; Man Trapped in Auto

Seven persons were injured in a total of 34 traffic accidents occurring in the Quad-Cities area during the weekend. One victim was trapped in his auto.

Fay Burdum, 38, of 3045 Marshall avenue, suffered a fracture to his right leg and cuts and abrasions to his face about 3 a.m. Sunday, when his auto left the roadway at the junction of Routes 192 and 55, east of Granite City and overturned.

Granite City firemen were called to aid an ambulance crew in righting the car and extricating the injured man from the wreckage. Burdum was alone at the time of the one-car accident.

He was admitted to St. Elizabeth Hospital for treatment. Two persons were injured about 10 a.m. Saturday when an auto struck a utility pole on Broadway at Third street in Venice.

The driver, Eugene Clark, 2801 Iowa street, told police he was handing change for McKinley bridge fare to his grandson, John Cormier, 18, of 2608 Cleveland blvd., when the car went out of control. Police said there was extensive damage to the auto.

Clark suffered abrasions to forehead and chest injury, while Cormier sustained head injuries as well as abrasions and cuts to his face. He was transferred to a St. Louis hospital after receiving emergency treatment at St. Elizabeth Hospital.

Hazelwood Man Killed
A Hazelwood, Mo., man was killed and three other persons were injured in a traffic accident at 10:10 p.m. Friday at 7900 Collinsville road in Madison county.

Dead is Marvin Nash, 32, who was a passenger in an auto driven by James E. Lottis, 31, of St. Louis. The auto made a left turn in front of a car driven by Della M. Crawford, 33, of East St. Louis, and was struck on the left side. Both drivers and another passenger in the Lottis auto, Richard Ramsey, 28, of Cedar Hill, Mo., were taken to St. Mary's Hospital, East St. Louis.

Injured on Bridge
Brooks C. Rowland, 41, Page-dale, Mo., was treated at St. Elizabeth Hospital at 10:55 p.m. yesterday following an accident on McKinley bridge in which an auto crashed into a light standard. Venice police reported Rowland told them at the hospital that he was not driving the car and that a man who was driving had left the accident scene and did not return. Officers said, however, that when Rowland was removed from the car to be placed in an ambulance, he was under the wheel. Police listed Rowland as the driver in their report. Rowland suffered cuts to his chin, multiple abrasions to both arms and multiple cuts to both knees. He was admitted.

Driver Injured
Jimmie F. Ray, 31, of 2426 Madison avenue, was injured when his auto collided with another driven by James R. Fish, Edwardsville, at 10:40 p.m. Friday at Sixth street and Washington avenue, Madison. Ray was admitted to St. Elizabeth Hospital with head injuries, including a two-inch laceration to the forehead, and contusions and abrasions to the left knee. His 1968 auto was a total loss, while the front of the Fish auto had extensive damage.

Madison police charged Ray with careless driving and with failing to observe three stop

KNITTING GROUP MEETS
The knitting group of the Moonspinners 4-H club met Thursday in the home of Mrs. Carol Davis, 1421 Norwood drive. The members are learning to knit a variety of sweaters and houseliners.

Present were Theresa Butler, Jo Marie DeRuntz, Leslie Lombardi, Mary Kay Becker, Mary Ellen Sudholt, Mary Ellen Kozlowski and a leader, Mrs. Louis Kozlowski. Candy snacks were served by the hostess. The next meeting will be held on April 24 at 7 p.m.

PRESBYTERIAN CIRCLES PLAN CLOTHING DRIVE
As members of the Women's Organization of the Presbyterian Church Thursday, plans were discussed for a clothing drive to be held with the Evening circle in May.

One o'clock dessert luncheon was served by the hostess, Mrs. Carolyn Stearns. Mrs. Edith Simpson, chairman, presented the devotion and conducted a business session. Mrs. Betty Flynn read mission news from the nation and offered prayer for them and then presented the "fellowship of the least coin."

The lesson on "Structure of the Covenant" was given by Mrs. Simpson from the book, "Theology of Faith and History" by Stephen Szekszai. Others present were Mesdames Irene Stopekotte, Louise Anderson, Verma Mitchell and Ellen Westerbeek and a guest, Mrs. Ethel Seymour.

The next meeting will be April 25 at 1 p.m. at the church.

signs at Sixth street and Washington avenue, Seventh and Washington and Seventh and Lee avenue.

Gilbert O. McIntyre, 21, of 2906 West 20th street, was taken by an ambulance to Fairhaven hospital at 6 p.m. Sunday and was admitted for treatment of forehead cuts sustained in a truck collision in the 1300 block of State street, Madison.

Police reported McIntyre was driving an auto north on State street and struck the rear end of a truck backing out of a driveway at 1342 State street. The truck was driven by James H. Bell, St. Louis, police said.

W. C. Harmon, 78, of 2541 Jerden avenue, was admitted to St. Elizabeth Hospital at 4 p.m. Friday with injuries sustained in an auto accident near the Hartford canal. He suffered abrasions to the forehead and fractured left ribs. Details of the mishap were unavailable.

WILL SHOW 'EM CLUB HONORS TWO MEMBERS
Mrs. Darlene Hartzel was honored as queen of the month for March and was presented with a gift during a meeting of the Will Show 'Em Club Thursday evening in the home of Mrs. Esther Reutzel, 2412 Pontoon road.
The members repeated the pledge of allegiance and club

pledge and roll call was answered with the week's losses and gains. Mrs. Diane Deloye was crowned queen of the week and received a basket of fruit and silver tarts.
The leader, Mrs. Marie Berger, presided and announced that Mrs. Hartzel was the winner of a four-week contest and also reached the club's weight loss plateau and was presented with a silver bracelet and charm.
The group discussed basic makeup application and the leader read a story concerning diets. Hostesses for the evening were Mrs. Mary Nemeth and Mrs. Janet Spalding, who supervised a game period. Prizes were won by Mrs. LaVerna Corbett, Mrs. Bernice Gergen and Mrs. Ruby Corbett.
Other members present were Mesdames Frances Pask, Sheila Stisch, Ann Metz, Shir-

ley Scheinschang, Olivia Little and Valerie Darakjian. The club will meet at the Reutzel home again this week.

TROOP TOURS CITY HALL
Niederhagen PTA, Browne Troop 258, led by Beth Caffrey and Mrs. Rosalie Portell, assembled at the school Wednesday to tour the city hall and police station, accompanied by the two of the mothers, Mrs. Julie Matosian and Mrs. Virginia Curtis.
Lieut. Kenneth Watts conducted a tour through various offices and the scouts were met in the courtroom by Magistrate Matosian, father of Browne's Georgia Matosian. He explained court session.
The scouts were introduced to Mayor Donald Partney, who spoke and served refreshments. Each girl received a memento of her trip. Assistant Police

Chief George Teller welcomed them.
Those on the tour were Mary Earmy, Tracy Bauer, Debbie Bigham, Jo Ann Curtis, Kim Filioff, Gena Fox, Kim Grammer, Karen Holter, Gretchen Hoischer, Twyla Lathrop, Bonnie Lubbert, Georgia Matosian, Martha Portell, Dana Parker and two prospective members, Carla Mitchell and Cheryl Carmack.

FINISH EASTER PROJECT
Browne Troop 258, sponsored by the Niederhagen PTA, held its weekly meeting at the school Wednesday with the leaders, Mrs. Audrey Speirs and Mrs. Janette Garrison, assisted by Mrs. Judy Shuran.
Carla Penrod, president, led the pledge, promise and "America." Mrs. Speirs presented gifts to Janice Morgan, Tina Bladdick, Beth Gollinger, Lori Voss, Tracy Lee Tracy, Carla Penrod and Laurie Shuran for winning entries among national Girl Scout Week activity charts.

The troop completed filling "bunny boxes" for District Four Easter treats for patients at Alton State Hospital. Each provided cookies and personal articles for colorfully decorated containers they had created at previous meetings.
Robin Clonko was in charge of Brownie treats. Others present were Jodi Alexander, Janice Garrison, Paula Bogaslian, Laura Kelly, Mary Livingston, Sherri Singleton, Tammy Speirs and Rebecca Spurling.

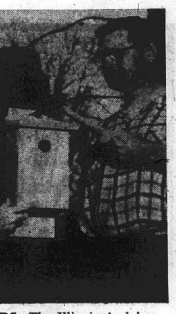

DELIVER SCOUT COOKIES
The Clover patrol led the opening ceremony at a weekly meeting of Junior Girl Scout Troop 29 of the Webster PTA Thursday led by Mrs. Eva Arbogast, assisted by Miss Phyllis Stutz.
"Junior Fun Day" at Camp Lakota April 19 was reviewed. The girls are to pick up their cookies at 244 Sheridan avenue and they are to be delivered and proceeds turned in by April 11.

Work was completed on Easter treats. The members decorated two-pound tins with paper and filled them with cookies and soft candy for the District Four annual community service project. The meeting adjourned with a disappearing tunnel.

A game period was enjoyed on the school grounds by Cathy Adams, Laura Arbogast, Sharon Buckingham, Sharon Chruziel, Karen Crowell, Rebecca DeForest, Becky Denny, Nancy Liddell, Susan McKinney, Vicki Moody, Lori Fairfield, Susan Kaletta, Jana Russell, Dana Sitter, Paul Stagg, Gail and Kay Watkins, Candice Werth and Pam Williams.

BIRTHDAY OBSERVED
Mr. and Mrs. Frank Murphy, 5129 Rapp road, entertained relatives at a surprise pot luck luncheon in their home Thursday evening in a birthday celebration for her son, Norman Hahn. The honored guest received many gifts.
A dessert luncheon was served later in the evening to a daughter and son-in-law, Mr. and Mrs. Harry Ellsworth Jr., and sons, Ethan and Evan, a daughter, Mrs. Jeanne Deckard and children, Timmy and Gina, a daughter, Frankie Murphy, and a grandmother, Mrs. Hester Johannigmeier.

FIFTH BIRTHDAY OF ALAN MELANCON
Alan Melancon, 2418 Edwards street, celebrated his fifth birthday with his pre-school classmates and friends at a party given by his parents, Mr. and Mrs. Ashton Melancon, in their home Saturday afternoon.
A birthday motif was used in colors of blue and white, with multicolored balloons and a large decorated candle cake. Following the opening of

WELCOME BLUEBIRDS—The Illinois Audubon Society has erected 15 bluebird houses on the Southern Illinois University-Western campus as a part of its Bluebird Trail project. fruit from the club as "queen of the week."
Mrs. Melba Fricker, 1449 Spring avenue, invited the group to her home for the next meeting. Refreshments were served and others present were Mrs. Lucille Gates, Mrs. Eunice McMarlin and Mrs. Mickey Dennis.

A dessert luncheon was served by the hostess to the guest of honor, his maternal grandparents, Mr. and Mrs. William G. Hawkins, Olney, Mo., and Theresa Soellner, Linda James, Jeff Puryear, Carolyn Bolin, Robin Minkowski, Hope Lee, Kathy Lorden, Joe McGowan, Jeannine Melancon, Anna Marie Soellner and the prize winners.

SCOUTS TOUR CAPITAL
A parents' party and a court of awards ceremony were discussed by members of Junior Girl Scout Troop 709 of the Marshall PTA at a weekly meeting Thursday with the leader, Mrs. Vivian Davis.
A "bunny box" project was completed and prizes were awarded for the three best decorated Easter containers: first prize, Debbie Grady; second, Karen Hoover; and third, Lisa Smith. Judge was Mrs. Davis' brother, Fred Stille, a fifth grade teacher at Washington school.

The scouts divided into patrols to make final arrangements for the parents' party and awards presentation April 10.
The troop chartered a bus and went on a tour of the state capitol Friday with the leader and her daughter, Carol Ann, and several mothers, Mrs. Carolyn Cottrell, Mrs. Shirley Dutton and Mrs. Melba Grady and son, Mel. The scouts were met by a guide who conducted the tour through many state offices and explained the history of Illinois.

They also toured the Illinois State Museum and the Lincoln home and tomb. They continued on to New Salem Park, where they visited a restored village. Before the return trip, they enjoyed a nosebag lunch at New Salem.

Scouts on the tour were Lisa Camp, Tina Collins, Kelly Cottrell, Leslie Coucier, Teresa Susan Davis, Debbie Dutton, Becky and Shelley Edwards, Debbie Grady, Karen Hoover, Susan Kelly, Vicki Kelley, Donna Kief, Janet Koempf, Christi Kramer, Dorothy Mann, Sandy Miller, Carla Morris, Paula Mullins, Kathy Nunn, Vickie O'Sha, Kim Page, Linda Painter, Linda Parish, Vickie Presswood, Robyn Sides, Donna Stout and Carolyn Wilson.

Unmuzzled Dog Charges
Three persons were charged with permitting unmuzzled dogs to run loose on complaints filed Thursday by Terry May, city humane officer. They are James Steele, 2916 Forest avenue; Paul E. Lewis, 2626 Sherman avenue; and Fred D. Sansoucie, 2004 Richmond avenue.

Annual Easter Egg Hunt Saturday at Wilson Park

The sixth annual Easter Egg Hunt sponsored by the Granite City park district will be held at 10 a.m. Saturday at three separate locations in Wilson Park. It was announced today by Harold Brown, park district superintendent.

Participation in the hunt is limited to pre-school, kindergarten, and first and second grade children who reside within the park district, Brown said. Children are to have their own Easter baskets or other containers. Pre-schoolers and kindergarten pupils will search for eggs at the Wilson Park softball diamond on State street; first graders in Area Two, near the tennis courts on Fehling road; and second grade students at Area Eight, near 28th and State streets.

Duplicate prizes will be awarded in each age group to the boy or girl who finds the traditional "golden egg," the youngster collecting the most eggs and the boy and girl who finds the most eggs, Brown advised.

Only one prize may be won by the same child and each of the youngsters participating will receive a candy treat whether or not they locate the hidden eggs, the park official added.

Parked autos belonging to Maude Lewis, 209 Circle drive, Venice, and Ervin Roosen, 311 Terry street, were damaged Saturday morning when struck by the 1500 block of Third street by an auto driven by Charlton Hill of Caseyville, Madison police reported.

Reiske Says Boy Endorsed Unanimously

In a statement issued Saturday, Edwin Reiske, president of the Tri-City Trades & Labor Council, said there was unanimous endorsement of Clyde "Bus" Boyd for the office of mayor by delegates to the council on March 5 when over 50 members were present.

"The recommendation was made during a report by the council, screening committee, whose members had interviewed the local candidates," Reiske said.

"There was a voice vote and there were no 'noes' when I called for the vote," Reiske said, adding that Mary Morrison, financial secretary for the Cooks and Waitresses Union, was among those present.

"No one objected to the endorsement and, to me, that constitutes full support by the 'Trades Council,' Reiske said.

INADEQUATE GARAGE FOR CHOUTEAU ROAD GRADER

To the Editor:

In answer to the letter directed to me in The Forum March "Chouteau Supervisor Proposes Road Debris," I will be glad to debate with anyone, anywhere and at any time. We have many issues to discuss.

One issue is how hard it is to get my bills paid. To have bills for mosquito spray paid for, I had to have my lawyer draw up a petition and get 360 signatures. Then my lawyer had to draw up papers to transfer funds from one account to another.

After this, I had to stand up in front of Mr. Warrack, the township clerk, with my left hand on my heart and my right hand in the air and swear that I used the money for the purpose for which it was given.

Another thing we could talk about is the rent that is being paid by the taxpayers of Chouteau township. If these taxes were used in the proper way, Chouteau township could have a nice township building for offices and a garage like Nameki township.

The township's road grader and two tractors had to sit outside all winter because I didn't have enough room for them where I am now renting. Everyone knows how hard winter weather is on equipment.

Again, I say I am not running for office this time. They and their team are.

When the highway commissioner runs for office, he has to run by himself. I don't know how it ever got so bad.

JAMES ESTES
Chouteau Township
Road Commissioner

MARTINEZ INTERESTED IN 5TH WARD RESIDENTS

To the Editor:

I am a full supporter of Clyde "Bus" Boyd for mayor. I have also taken special interest in the Fifth Ward alderman race.

We are going to vote for Mr. Basarich because Mr. Martinez tells us or because we really know the man?

I lived in Lincoln Place two years before buying my present home on Denver street. Two weeks ago at the council meeting Mr. Basarich had to ask Mr. Nonn who I was and Mr. Nonn introduced him to me. He had previously been in my home.

This is an example of how well he remembers or knows people after the election.

Joseph Martinez had remembered me for a long time and called me by name after meeting me only once. My children keep me informed on the great guy he is, taking time to play ball with them after work and trying to teach them the game of good sports and citizens. This alone will cause me to support him.

If the union local of Union Starch is giving Mr. Martinez its endorsement, doesn't that tell something? I understand Mr. Basarich works there also. Think it over.

HANDLING OF ANIMALS IMPROVED BY PARTNEY

To the Editor:

In all of the public discussions concerning the pending election, one city function has been completely overlooked. That is the current condition of the humane shelter in Granite City as opposed to its condition a few years ago.

I can well remember when the office of "dog catcher" and the "dog pound" were a public disgrace. Anyone whose animal was unfortunate enough to be picked up and confined to those days would agree with me.

However, our current mayor appears to be in complete accord with the Animal Shelter board members that this is an important and humane function of a city government.

MAYOR DESERVES CREDIT

To the Editor:

For the past few weeks I have been reading the news of various small-time politicians. There has never before been more mud slinging than in this election.

The articles say our mayor is not responsible for any improvements. If something was to go wrong, who would be blamed? Our mayor. Likewise then, he deserves the credit as in any democratic society.

Let the train jump the track; let the train be blamed. The engineer from the articles I have been reading recently, it's a poor way to run a railroad.

Various Labor and Trades councils put their plugs into the paper. It's getting to the point that if you don't know the shop steward or the policeman, you don't have a chance.

Let us not forget that this great government is still a government of the people, for the people, by the people.

MAYOR AIDING YOUTHS

To the Editor:

Don Partney has consistently cast his lot with the young people of our community. That is why we should cast ours for him on election day.

A little over 20 years ago, while he was manager of the neighborhood baseball club, he built a backdrop and provided equipment for the boys. It was the pitcher then, and can still remember the encouragement and all received from Mr. Partney as our manager.

Recently, he instituted the Neighborhood Youths Corps in our city. The Corps employed a large amount of young people during the summer.

There has been a good working relationship between Mr. Partney and the Co-Ordinated Youth Service, more so than most of our candidates.

Because of this harmony, many neglected young people have found a helping hand extended to them from Mr. Partney's highest office on through other agencies.

For two summers, Mr. Partney gave his program religious purposes, free of charge.

Many young people were reached for Christ in the open air meetings for they had never been reached by the local churches. The sponsoring churches reaped a bountiful harvest.

They, with one voice, can only say, "Thank you, Mr. Mayor, for your support and continued interest in our young people."

VIEW OF LOCAL 7463

To the Editor:

Oil, Chemical and Atomic Workers Local 7463 recommends the following candidates for office.

Mayor, Clyde "Bus" Boyd; Treasurer, Pat Rich; City Clerk, Cal Pendleton; supervisor, Nelson Hagauer; tax assessor, Jim Barton.

Aldermen—1st Ward, Bill Dallas and Everett Morlen; 2nd Ward, Ed Bartoski; 3rd Ward, Roy Paulsen; 4th Ward, R. E. Basarich; 5th Ward, J. C. Martinez; 6th Ward, Paul Schluter; 7th Ward, Frank Vesce.

Assistant supervisors, Leroy Martindale and Carl Thompson. Park commissioner, Paul Thompson.

Steve, Basarich, one of the candidates for alderman in the Fifth Ward, has left the following questions unanswered throughout his campaign:

Why did he cross the lawful picket line of the working men at Union Starch for seven months?

Why did he almost run over one of the pickets while crossing the picket line?

Why did he vote against the anti-strike breaker ordinance that was submitted and passed during the strike?

Why did he associate with known anti-union people such as the Plankertons throughout the strike?

Why is political boss Walter Nonn, who is so well known as the "boss" of the Fifth Ward, Basarich's campaign and setting his policy?

Vasile Mihu, another candidate for alderman in the Fifth Ward, has left the following questions unanswered throughout his campaign:

President Eisenhower a Beloved War Hero Who Cherished Peacemaking Role Even More

The death of any U. S. president causes extreme sorrow throughout the world and particularly in America. The greatest and most enduring example of democracy in the history of mankind. The passing of Dwight D. Eisenhower, chief executive from 1953 through 1960, carries special freight because of his personal qualities and his earlier roles as wartime and postwar supreme Allied commander in the European area.

In the Quad-Cities, where a native son has just been named to head the same European command, President Eisenhower is revered not only because of his skilled military leadership when leading the United States to victory, but also because of his repugnance for the suffering and anguish that are so much a part of war. "Peace is my passion" was his goal and achievement as president and commander in chief.

His two terms are regarded by some historians as a period of too much inactivity. But he was farsighted enough to launch the Interstate highway system, now an essential part of surface travel. And the absence of global crises during his administration was not accidental but a reflection of his dedicated stewardship.

A genuine hero with a grin a mile wide, the beloved "Ike" was offered the 1948 Democratic presidential nomination by President Truman and would have been a favorite to win. But the five-star General of the Army instead waited and narrowly won the 1952 Republican nomination in a springboard to two landslide popular victories.

The chief symbol of American determination to resist dictatorial conquest, he lived to earn the even more exalted title of peacemaker. His life and his death are reminders of the ideals he so valiantly upheld—duty, honor and country.

Last-Minute Accusations Against Candidates Unfortunate, Should Be Ignored By Voters

Rising taxes and multiplying street excavations already were plaguing candidates in tomorrow's elections when torrents of "mud slinging" began in recent days.

The trend is unfortunate, and we urge voters not to take seriously "exposed" and wild charges circulated on the eve of the balloting. If issues are valid, they are usually brought out well ahead of election day, in plenty of time for them to be answered and evaluated.

Along with outright attempts at character assassination, a number of statements have been made in the apparent belief that, no matter how

mayor, you will find nothing that the ex-mayor can brag about.

What really happened to our relationship and of the veto that really bugs him was when the engineer's contract—that was forced on former Mayor Davis by ex-mayor Moerlen—that the vote of the council came up.

When I became mayor, these same tactics were used by ex-mayor Moerlen to keep the contract with the engineering firm from out-of-state, in which members of his own family were associated.

Not only is this bad business but I personally consider such a move unethical.

When I vetoed the engineering contract, Moerlen immediately set out to gather council support to give this firm the contract and got it. This contract, I refused to sign.

Then, Moerlen tried to remove the engineering fees from Ordinance 183 and voted to remove the amount from the budget which had been previously approved by the council. I am glad I was able to figure that his "halo" fell off.

The question is: "Should aldermen be allowed to have information and drag be allowed to consider contracts involving taxpayers' money?"

Since he went to such great lengths to criticize my council relations and vetoes which I exercised in the past city government, then there is today, check the record.

I served for two years under the then Mayor Moerlen and there was less harmony and cooperation in our city government than there is today. Check the record.

He says "Mayor Donald Partney claims too much credit for progress." Check the record in the city clerk's office of Alderman (ex-mayor) Moerlen's progress when he served as

my veto and Moerlen's stand.

preposterous, some people will believe them. We do not think highly of this kind of campaigning either.

Examples are that each property owner is going to be saved hundreds of dollars in sewer fees by some undefined miracle; that with a smaller cost the city will be able to pay the schedule would be "doubled or tripled," with shift workers denied a chance to attend; and that the mayor, who has consistently sought downtown renewal, has more problems for store closings than the council majority.

In actuality, sewer fees can be ended only when available revenue offsets the debt. A smaller council probably would need to meet less often instead of more often, since there would be fewer persons to participate in the currently lengthy debates. And the group that has blocked downtown revitalization is the same council majority now opposing the mayor; they have a right to oppose him, but not to cite as their reason a problem whose solution or partial solution they themselves have stalled.

The steady escalation in attacks against various candidates assumes that voters are dumb enough to believe anything. We don't think such an attitude is either accurate or proper. It could backfire against the campaign strategists so willing to try to use and confuse the public.

Army Engineers Doing Good Job Of Keeping The Mighty Mississippi Away From Our Door

In an era when the high tax level makes it tempting to ridicule any and all governmental programs, it may provide a bit of perspective to consider the 1969 flood threat and its lack of impact locally. The local or national concern in the Quad-Cities for good reason; there is expected to be no further repetition of a problem that occurred here until as late as 22 years ago.

What has happened is that Leslie Sam through his Army Corps of Engineers—the group whose navigation projects often are derided as pork barrel—has built levees, a right-mile canal bank revetment, a low-water dike and other fortifications with such skill that Old Man River is likely to "stay away from our door" despite record snows to the north.

Venice owes its name to frequent flooding. In 1844, 1851, 1883 and 1892. In 1903, the river swept through Venice, Madison and Granite City, causing deaths and mass evacuation. Flood damage occurred here again in 1915, 1927, 1929, 1935, 1942, 1943, 1944 and 1947. Twenty-seven feet of water topped sections of the highway approach in the latter year, closing the Chain of Rocks Bridge for 17 days in June and July 1947.

Interior flooding from rain remains a serious problem in this region—thanks to federal taxation and expenditures—appropriate taxes have been taken to confine the river as it passes here despite the unusually large volume of melting anticipated this spring.

Concentrate On Replacing Rather Than Revising Illinois' State Constitution

Suggestions that a constitutional amendments be avoided in the 1969 Illinois General Assembly session are logical. If scheduled for the session to convene in November, they could confuse the public, which at about the same time is likely to be considering the recommendations of the 1969-70 constitutional convention.

The importance of modernizing this state's century-old constitution is so great that the attention of legislators, delegates and citizens should be concentrated on this goal.

In order for it to be accomplished, able delegates with sound judgment must be selected, and they must do an excellent job of drafting a new constitution—one that will both meet the needs of the future and the restraints on government that past experience has shown are necessary. Only then will there be a real chance for public approval of the new document.

OPPOSITE TO COUNCIL

TO THE EDITOR:

As the election campaign nears its conclusion, I notice that the "prophets of gloom and doom" in the city are predicting that the mayor's camp have become increasingly active. The sly innuendoes and insinuations by the mayor's followers are ever present.

These propagandists of perdition—these "prophets of gloom and doom"—are making the same tired, old story.

It is the noise of those desperately trying to shore up their political nests, which are perilously swaying in the face of the rising breeze of progress and harmony. The noises are not unlike those made by rodents leaving a leaking ship.

Our city can no longer afford to be stymied by an iron-handed executive who refuses to negotiate with the voters.

Now is the time to cast off this shackles that binds us, by voting for Clyde Boyd for mayor of Granite City and, thereby, casting a vote for harmony and progress.

50 YEARS AGO

MARCH 31, 1919

The Commonwealth Steel Foundry, which was operating with a reduced force of men since the cancellation of large government orders, closed down another furnace, leaving only one now in operation. There were 600 layoffs.

President Clarence Howard is now in Europe. It is expected that the partial shutdown will be only for a short time, as the conflict in Europe destroyed much railroad rolling stock, castings for which Commonwealth is noted for producing.

The Granite City Independent club on Washington avenue plans a big feed, with turtle soup as the chief item on the menu. It has purchased a 95-pound deep-sea turtle.

25 YEARS AGO

MARCH 31, 1944

A five-day community-wide paper drive is planned, with citizens asked to begin saving their scrap paper for it. Pupils will collect it and take it to their schools, where it will be picked up by trucks furnished by the War Council.

A public hearing will be held in the Mitchell parish hall on a Chouteau township budget of \$940 for poor relief and \$5271 for town purposes.

The local tax enacted on machines that vend cigarettes reminds us what a huge and powerful industry cigarette manufacturing is. Agriculture once was the largest business in the country, then railroads, manufacturing and utilities.

The cigarette industry does not consist of railroads, ship lines or tall buildings but it includes a huge turnover. It was powerful enough to escape any tax in internal revenue tax although the industry took a boost of one-third and others took even bigger increases. Cigarette companies have virtually taken over all the strategic time on the radio, passing the soap dramas in a cloud of dust.

A Madison auxiliary police force will be organized, with Police Chief John Urban directing the program, assisted by S. J. Lengyel.

Boyd Not Sponsor of St. Pat Dinner

Alderman Clyde "Bus" Boyd, candidate for mayor in the Granite City election tomorrow, advised the Press-Record Friday that he was not involved in any way in sponsorship of a St. Patrick's Day corned beef and cabbage dinner referred to in the Forum column Thursday.

"It was there about 40 minutes from 2 o'clock to 2:40 having been invited there as a candidate. I didn't have a drink or a sandwich," Alderman Boyd commented.

"I'm not trying to gain votes in any tavern," he asserted. "In regard to other sections of the letter, I believe I'm as conscious as anyone of the importance of wise use of tax dollars."

"I feel that the party who wrote the letter or who provided the information on which it was based absolutely lied about the circumstances in an effort to give voters a false image of my character. I personally would perform the duties of mayor."

The letter attempted to create a picture of a candidate totally different from the kind of man my friends know that I am."

Boyd is expressing their beliefs in democratic government and citizen participation in government by being candidates.

They are providing a choice—a responsible opposition—in this country's best tradition, where for the past 20 years there has been a choice; no competing sides in Venice township.

Voters of Venice township can change things by helping these excellent candidates, by voting for them, and by keeping an active interest in government.

PARTNEY KEEPS CLOSE WATCH ON CITY FUNDS

To the Editor:

In trying to defeat Mayor Partney four years ago, the group that is trying to gain control of our city used every trick known to political campaigning, plus plenty of money. They were sure of beating him, but the civic-minded voters prevailed.

This same group is trying to beat him again, using the same old tactics over again. I believe civic-minded voters are still determined and will respond with greater vigor.

Mayor Partney's office does is always open and the people are always welcome to call for friendly visits, discussions of problems or information.

Partney has been presented a monthly report of the city's activity and has kept a close watch on the spending of our tax dollars.

Sure, he has had problems in performing the duties of his office—but he has never been elected to serve all the public and not to weaken to any particular group.

Also, he has voters scrutinizing him.

When one learns of a candidate for mayor who possesses an "I don't care" attitude, as Clyde "Bus" Boyd has, it behooves that individual to state publicly.

Because of that very human quality that Mr. Boyd possesses, notwithstanding other virtues, I personally intend to cast my vote for him and encourage others to do the same.

GC Voters Guide Polling Places for Tomorrow's City and Township Elections

To aid Granite City voters tomorrow, the Press-Record is providing the adjoining map of the city's new 31 precincts, and this article lists the polling place for each of the new precincts. The polls will be open from 6 a.m. to 6 p.m.

The new designations were necessary since the city reduced the number of wards from eight to seven late last year. The map shows each precinct by ward.

A number of Granite Cityans will be voting in two locations in the city-township election tomorrow. The township is maintaining its regular 32 precincts that are used in general elections. Since registration is required, a voter can determine the proper township polling place from his or her voter registration card issued by the county.

The new city precinct map indicates boundary lines as closely as possible. Most precinct boundaries are the middle of the streets, but there are some in alleys and easements and others are imaginary lines or extensions of streets.

City Precincts

The 31 city precinct polling places for Granite City will be at the following locations:

Ward One—No. 1, VFW building, 2044 Washington avenue; No. 2, Kirkpatrick Homes recreation hall; No. 3, Anchorage Homes, 2909 Edwards street; No. 4, Virginia Cavalry residence, 2704 Buxton avenue.

Ward Two—No. 5, Nagy building, 2400 Benton street; No. 6, Third Baptist Church, 26th street and Grand avenue; No. 7, Church of Christ, 2882 Washington avenue; No. 8, Roger Reese residence, 2900 Buxton avenue.

Ward Three—No. 9, First Presbyterian Church, 22nd street and Delmar avenue; No. 10, American Legion, 2351 Madison avenue; No. 11, Pashea building, 2200 East 24th street; No. 12, Groves Plumbing Shop, 2445 East 24th street.

Home Sewing-Investment Programs Start on Ketc

Home sewing, fast becoming one of the most popular pastimes, and a basic primer on investing for the person who is a novice in the investment field, are two new programs to be aired on public television station Ketc Channel 9, starting Wednesday.

An estimated 40 million women are now making many of their own and their children's clothes, Judy Ginder of Ketc staff notes. Because of this widespread interest, a new ten-

week series entitled "Smart Sewing" will be telecast on Wednesdays at 3:15 p.m. and Fridays at 4:15 p.m. Martha Van Lennep, stylist and home-sewing specialist, will host the new series. Channel 9 offers the 300-page McCall's Sewing Book to viewers enrolling in the course. Members may enroll for a \$5 fee, with non-members paying \$15.

The five-week series in basic investing will take place at 4:15 and 9 p.m. each Wednesday on Channel 9. The programs are being underwritten in part with places from McCourtney-Breckinridge & Co., and by Merrill Lynch, Pierce, Fenner & Smith Inc.

Channel 9 members may enroll in "Investing in the Stock Market" for \$1; non-members may enroll for \$11. Upon enrolling, viewers will receive a complete investor's kit. To enroll in either program, viewers should write—The Registrar, Ketc, Channel 9, 6996 Millbrook, St. Louis, Mo. 63130.

CAP Cadet to Tour NASA Space Center

Cadet Warrant Officer Peter Schocker of the Granite City Cadet Squadron, Illinois Civil Air Patrol Wing, is one of 20 Illinois CAP cadets selected to tour space center facilities at Cape Kennedy, Fla., this week. All are members of the Illinois Wing Cadet Council.

The 17-year-old Granite City high school senior will depart with the group tomorrow morning from Chanute Air Force Base, Rantoul, Ill., and will be airlifted to Patrick AFB, Fla. The tour of NASA's Cape Kennedy space center will take place Wednesday, with cadets returning to Illinois the following day.

A member of the Civil Air Patrol Cadet program the past three years, Schocker is the son of Mr. and Mrs. Melvin Schocker, 2206 Waterman avenue. The Illinois Cadet Council consists of outstanding cadets from various sections of the state who represent more than 2000 cadets in 85 community level organizations. Each unit offers teenage members, between the age of 13 and 18 years, a complete course in aerospace education.

VISITING CONGRESSMAN Melvin Price on the Capitol steps in Washington are Miss Terry Hulce (left), 2904 Fortune drive, and Miss Mary Beth Gordon, 3152 Colgate drive. Both girls participated in a United Nations seminar sponsored by the Illinois Disciples of Christ and the Christian Church of Missouri.

Lutheran Bureau Sets Good Friday and Easter Services

Special Good Friday and Easter Sunrise services for the area are being scheduled again this year by the Quad-Cities Lutheran Bureau.

The Lutheran Bureau will again sponsor the Good Friday, noon-day, half hour service at the Washington Theatre. Rev. Ronald Leach of Trinity Lutheran Church of East St. Louis will deliver the devotional, "A Happening At Calvary."

Rev. Leach recently arrived in East St. Louis from Colorado Springs, Colo., and is recognized for his current approach to theology. The Lydia Guild of Hope Lutheran Church has the assignment of providing appropriate floral decorations for the stage. Rev. Samuel Boda of St. John's Lutheran Church will serve as Liturgist.

The Bureau's annual Wilson Park Easter Sunrise service will again be at 6 o'clock for the second year in the new Recreation Center and skating rink. Rev. Robert Trautman, recently returned missionary to

the Madras State of India and now pastor of Luther Memorial Church of Richmond Heights, Mo., will deliver the Resurrection message.

His topic will be, "Jesus Lives As He Promised." John T. Severin sr. will again lead the brass choir which will accompany the Easter congregation in Resurrection singing. Pastor Arvid Twietmeyer of Concordia Lutheran Church will serve as Liturgist.

Cheese Firm Handles 2000 Items Club Told

James T. Shelton, a sales representative for the Kraft Foods Co., discussed the history and development of the national firm at a meeting of Granite City Optimists Thursday afternoon at the Rose Bowl restaurant. Thirty-three members attended and two guests, J. C. Nichols and Dan McGee.

The speaker said the foods firm was founded near the end of world war one by John I. Kraft, one of six brothers, who later brought the other family members into the business. The corporation was named for its founder, before assuming the name Kraft Cheese and later the Kraft Unit of National Dairy Products Corp.

Shelton said the firm now distributes more than 2000 different products throughout the U. S. and the free world. Only one person bearing the Kraft name still is associated with the company, he noted. He was introduced by Edward L. Stone, program chairman.

Ted Bourbon Is Grad Of Great Lakes Base

Ted Bourbon, son of Mr. and Mrs. Archie Bourbon, 2758 Washington avenue, who enlisted in the Navy Jan. 24, has completed nine weeks recruit training at Great Lakes Naval Base and is home on a two-week leave. He will return to Great Lakes as an E-3 RN and will attend Hospital Corpsmen Class A school for 14 weeks to be trained as an x-ray technician. Mr. and Mrs. Bourbon attended the Graduation Review at Great Lakes.

A graduate of the Granite City high school and Central Methodist College in Fayette, Mo., Bourbon was a student at the University of Missouri at the time of his enlistment.

K. of C. Councils To Celebrate May Day at Breakfast

The Madison county chapter of the Knights of Columbus will hold its annual May Day observance with a corporate communion and breakfast at the 9:30 a.m. Mass May 4 at St. Kevin's Church in Rosewood Heights, it was announced at a meeting of the Tri-City council Thursday night.

Plans for the event, announced by Albert Sanders, council chairman, were made at a county committee meeting the previous night at Edwardsville. At that meeting plans were made for the annual K. of C. golf tourney on May 24 at Staunton.

Charles Parkinson Jr., family activities co-chairman, announced that the council's annual family picnic will be held June 22 at the American Legion Freedom Farm near Belleville. Plans for a benefit basketball game, featuring area clergy against council officers and committee chairmen, were announced for 7:30 p.m. April 25 at the Nameki grade school gym by Jack Trittschuch, chairman.

Tickets at \$1 each are available at the K. of C. club. Trittschuch said half-dime entertainment will be provided. Proceeds will be donated to Newman foundations at public colleges and universities in the state.

It was announced that the annual county K. of C. softball league will get underway on May 18, with a playoff tourney set after the season finale on Aug. 10. Teams are being formed now. Games will be played every other Sunday, with home games to be played at Worthen Park.

Foursomes also are being formed for the first annual national K. of C. golf tournament to be held July 11, 12 and 13 at Forest Park in St. Louis.

A report on the council's blood bank was presented by Donald Stanton, chairman. A sound film on responsibilities of U. S. congressmen was shown by Dr. Leo Coleman.

John Becker, chief of the Granite City Auxiliary Police, explained the auxiliary training program and answered questions about membership and duties of members. Police Chief Ronald Vizeer urged participation of local citizens in the program, and a unit composed of K. of C. members is being considered.

Color slides on Brazil, Argentina and Peru were shown by M. E. Bartosiak who recently toured South America.

A lunch presented by Joseph Begando, lecturer, was served. The meeting was conducted by Edward Evans, deputy grand knight.

\$15,000 Suit Fled In Dram Shop Action

A dram shop suit seeking \$15,000 was filed for James Billen against Harold and Marie Mason, doing business as the Town & Country Drive-in, tavern, and Charles W. Grogan sr., Harry F. Teepe and John B. Spatarola, listed as owners of the property, last week in Madison county circuit court at Edwardsville.

According to the complaint, Billen was beaten and injured at his service station at 8400 Collinsville road on Sept. 8, 1968, by Larry Percus who allegedly became intoxicated at the tavern.

Nine Divorce Decrees Granted Area Couples

Nine divorce decrees have been granted to Quad-City area couples in Madison County circuit court in Edwardsville.

Juneida Whitehead from George Whitehead, both of Granite City. They were married Dec. 14, 1963, in Vienna, Ill., and separated March 31, 1968. Cruelty was charged. Custody of three children was given to the mother. The court retained jurisdiction in the case.

Joyce Verlene Wilson from Cecil East Wilson, both of Madison. They were married June 29, 1957, in Brooklyn, and separated May 15, 1968. Cruelty was charged. The mother received custody of three children, and the father was ordered to pay child support of \$17.50 per week per child.

Laveta Wells from Noah Wells, both of Madison. They were married Feb. 4, 1962. Desertion was charged. Custody of four children was given to the mother. The father was ordered to provide \$50 per week child support.

Mary Russell from Alex Rusick, both of Granite City. They were married Aug. 29, 1948, and separated Sept. 9, 1967. Cruelty was charged.

Gary Barton from Nina Barton, both of Granite City, on a counter complaint. They were married Dec. 21, 1964, and separated 18 months later when he was given an overseas military assignment. Adultery was charged.

Patricia Ann Dawes from Robert Eugene Dawes, both of Granite City. They were married Dec. 21, 1964, and separated last Feb. 8. Mental cruelty was charged. Her maiden name of Patricia Ann Jones was restored.

Judy Williams of Madison from Allan Dale Williams of St. Louis. They were married April 3, 1967. Mental cruelty was charged. Her maiden name of Judy Murphy was restored.

Betty Chambers Williams of Venice from Wanda Faye Williams of Granite City. They were married Feb. 18, 1967, in East St. Louis. Mental cruelty was charged. Her former name of Wanda Faye Percus was restored.

Linda Marie Woods from Juan Eugene Woods, both of Granite City. They were married Feb. 5, 1964, and separated last Sept. 30. Mental cruelty was charged. Custody of one child was given to the mother, and the father was ordered to pay child support of \$80 per month.

Tour Shows Antiquity of Drainage Facilities Throughout Area

By Harry Barnes
The high potential of sweeping interior floods in the Nameoki township-Granite City area in event of abnormally heavy rainfall—along with mounting drainage problems created by even moderate rains—grow out of a combination of factors, of which are the antiquity of existing stormwater drainage facilities and the rapid growth and development of the region.

In addition, drainage facilities maintained by the East Side Levee and Sanitary district are in such condition that a peak storm would overtax their capacity to handle a high volume stormwater flow—either into Horseshoe Lake to relieve Nameoki township and Granite City, or out of the lake through the Cahokia Canal to keep the lake level down.

These conclusions are borne out not only by an area-wide inspection of the present network of drainage canals, ditches and culverts upon which the area must depend if it is to remain dry during heavy rainfall periods, but also by testimony of engineers and drainage experts who have warned repeatedly in recent months that there is "trouble ahead" unless steps are taken to correct a multiplicity of problems.

Map Improvements

With wide attention currently focused on the drainage picture because of recent incidents of blocked drainage flows, damage to homes by underground seepage and entire blocks of residential property marooned by a less than two-inch rainfall, efforts are under way to map the program of immediate improvement and expansion of drainage facilities—an effort that is handicapped because no money is available for such work.

For this reason, William "Ebersold" of Venice, a Madison county member of the five-man levee board of trustees, plans to solicit the aid of Gov. Richard B. Ogilvie, Lt. Gov. Paul Simon and Cong. Melvin Price in securing state or federal grants for immediate flood control work throughout the area.

Committed to Program

While Gov. Ogilvie and Cong. Price already are committed to full support of the long-discussed Hillsdale Drainage project—a \$12 million dollar plan to adequately drain the American Bottoms area as far north as Litchfield, Ebersold contends present conditions and impending flood threats will not wait for completion of Hillsdale plans. The Hillsdale Drainage project, engineers maintain, is still five years away from reality.

His viewpoint is emphasized by demands of a number of Nameoki township residents for action to drain slough areas and provide drainage for low-lying sections subject to flooding even during moderate rainfall. Large delegations from the New Haven subdivision (Angela drive) and from the Breckenridge-Center-Garden lane area of the township have appeared on several occasions before the

OF MAJOR CONCERN to drainage experts is this juncture of city's new paved stormwater ditch with Nameoki area ditch at Edwardsville road and the railroad tracks. The Nameoki ditch will enter

canal through large twin culverts shown at left center. The city ditch is designed to inject up to 316 million gallons of water into Nameoki area ditch at this point during a peak storm.

The Nameoki area ditch originates at a point along Amos street just south of Pontoon road. At that point, four interceptors lead into the ditch to drain surrounding residential areas. Levee board sources point out that the Nameoki ditch was built 20 years ago and was designed to handle stormwater flow from an area of far fewer homes than must now be served. Engineers explain that the stormwater runoff is increased substantially as residences and buildings are constructed because of roof surfaces, paved streets, driveways and other appurtenances shed water as fast as it falls.

The channel extends directly southward with drainage lines entering the ditch at frequent intervals. At Victory drive, the smallest of the Granite City interceptors from the new sewer system enters Nameoki channel. At this point, the new sewer would pour 225 cfs into the ditch in a peak 5-year storm flow.

Heavy Drainage Flow

This means, engineers explain, that during an extremely heavy rain, the Victory drive interceptor will inject 145 million gallons of water per day into Nameoki ditch.

From Victory drive, the Nameoki channel continues southward to Edwardsville road, cuts under the road through a box cement culvert, continues as an open ditch for another 150 feet to pass beneath the railroad tracks through two six-foot culverts and thence into Horseshoe Lake.

The larger interceptor of the new Granite City sewer enters Nameoki ditch between Edwardsville road and the railroad tracks after flowing eastward along the south side of Edwardsville road from Nameoki road.

The new sewer juncture with

in Nameoki area ditch is of particular concern to levee board officials who fear a high volume flow entering the ditch at right angles will block the flow of water in Nameoki ditch from the north. If this happens, they say, stormwater in Nameoki channel will back up and could flood vast areas of residential property.

Planned Enlargement

When Granite City officials sought permission of the levee district to hook its stormwater outlets into Nameoki channel before construction of the new system was begun, levee board engineers warned that Nameoki channel was not large enough to handle the anticipated flow of the city sewer system in peak rains. Plans were discussed at that time for enlargement of the channel and it was proposed then to seek \$25,000 from the legislature to do the work. Nothing has since been done.

The city stormwater interceptor at Edwardsville road will pour 316 million gallons of water per day into Nameoki channel during a 5-year peak storm, according to design engineers.

The combined waters of Nameoki ditch and the city's Edwardsville road interceptor are expected to create still another problem in extremely heavy rain as they flow into Horseshoe Lake. The lake level varies depending upon conditions, but during the past year has maintained high-water levels. Some engineers believe this is due to silting over the years, causing a raising of the lake bottom and therefore maintaining a higher lake surface level.

Lake Volume Heavy

Added to this is the fact that Granite City Steel Co. normally pours 65 million gallons of water daily into the lake, Ebersold points out. In periods of heavy rain, the lake also re-

ceives runoff drainage from all the land around it. Consequently, levee board officials anticipate a rapid buildup of the lake level in the next peak storm period.

There are only two outlet points to drain Horseshoe Lake and carry off excess lake waters, and both of these outlets flow into the same channel. One of these is at the Cahokia Channel locks located about one-half mile south of Route 111. A channel connecting Horseshoe Lake and the Cahokia Canal join at the locks.

The other outlet from the lake enters Cahokia Canal at a point about one-half mile west of Route 111 and a half mile north of Interstate 70. The lake drains at this point through two culverts. Both culverts are control by gates and drainage here can be shut off. Lake drainage through the locks and culverts flows down Cahokia Canal, through the stockyards to the levee district's North Pumping Station on the river front.

Additional Drainage

In addition to the lake drainage at these points, the Cahokia Canal also must handle drainage from a point north of Mitchell as well as intersecting tributaries, including Hadley ditch near Route 162 and a number of private drainage ditches built by farmers to relieve farmlands of floodwaters. The Cahokia Canal is badly silted. Its banks are eroded and at many places caved in, dumping large piles of dirt into the ditch to further impede the drainage flow. At present, the ditch has little more than half its original depth.

The picture is summed up amply by Ebersold who said recently that "we're sitting on a powder keg so far as flood threats are concerned."

ORIGIN OF PROBLEM: Nameoki area drainage ditch begins at this point just south of Pontoon road behind the Nameoki Methodist Church. Culverts shown entering mouth of canal at varying grades drain surrounding residential areas. Rocks in ditch bed indicate shallowness of ditch caused by silting, which reduces canal's flow capacity.

GRANITE CITY'S stormwater sewer interceptor at Victory drive (rim of fourth culvert at left) would pour 145 million gallons of water per day into Nameoki area ditch during a peak storm period, would help overload the Nameoki ditch even before it joins main city interceptor at Edwardsville road and the railroad tracks.

TWIN CULVERTS a half mile west of Route 111 comprise a second drainage outlet for Horseshoe Lake. Drainage from this point joins Cahokia Canal, flows westward to the Levee district's North Pumping Station. The flow through these culverts can be controlled by gates.

Maryland Plaza Site For Mercantile Firm

Maryland Mortgage Co. has leased new office quarters in the Maryland Plaza shopping center, at 2330 Pontoon road, and will move from its present location in the Bellemore Village Shopping center before May 1, according to Edwin M. Reinagel, Mercantile vice-president.

Negotiations currently are under way to lease the Bellemore location to Singer Sewing Machine Co., which presently occupies a store building at 1235 Nineteenth street. It was learned.

The Mercantile firm has been located in Granite City since 1926 and moved from the downtown area to Bellemore Village about 5½-years ago. Although the new facilities in Maryland Plaza will involve less floor space than the present quarters, Reinagel noted that the furnishings and decor will be "more elaborate and functional."

WATER POURING over spillway at levee district locks south of Route 111 is one of only two drainage outlets from Horseshoe Lake. The channel extends into background at right is the Cahokia

Canal carrying drainage from a point north of Mitchell. From this point, the canal extends south and then westward to levee district pumps on riverfront.

UNION OFFICER SAYS MAYOR NOT TO BLAME

To the Editor:
In reading the caption "Decay with Partner," I wonder if the learned Mr. Boyd or his constituents know all the facts. Speaking for Schiff's Shoe store, and Two Brothers Shoe store, they went out of business due to the high rent. Mr. Southwick is closing his store due to very bad health. You have to be real stupid to blame that on to Mr.

Partney. Since when does a mayor control the rent the merchants have to pay. Don't forget Mr. Boyd this is also a loss of wages to the employees who worked there and now are unemployed. I agree wholeheartedly with Mary Mortenson in asking her members to vote for Don Partney.

I would now like to clear up a situation due to the fact of the numerous calls I have had from my members regarding the endorsement by the Trades and Labor Council for Mr. Boyd. Even though we are members of the Council, they do not speak for all of Labor. A handful of delegates do not have the right to speak for the Retail Clerks. We hope the members that have called me on this will understand that the Trades Council does not endorse any candidate in this Local's name. Our members have the God given right to vote for whom they please.

MACHINE IN CAMPAIGN

To the Editor:
Granite City voters—wake up before it's too late. The warning signs are up. The machine is behind Mr. Boyd. The Politicians of Madison and Venice are backing him.
You know these people and how they operate. They are having their problems. They want a merger of the three towns. By putting in a mayor in Granite City, they could slowly but surely gobble up Granite City and solve said problems. These politicians don't spend

money on an election other than their own unless they have reached the bottom of their fool the people tricks.
Vote for Don Partney and let the Madison and Venice politicians go down their own drains.

"Bunny boxes" were decorated with pastel crepe paper and decorated with designs of flowers, bunnies, eggs, chicks and chicks.

Announcement was made that the next meeting will be held under the Easter vacation April 9.

Those present were Kathy Bellmer, Angela Cuccati, Christine Coleman, Jacqueline Davidson Rob, in Ebersohl, Beverly Dunn, Helen Gooley, Amy Dunn, Teresa Heiney, Darla Lewis, Sandra Mariette, Donna Rowlett, Laura Sikora, Christine Kierke, Kit Walmsley, Tammy Whitehead, Antoinette Mariette and Daniela Mathenia.

SURGERY PATIENT
Mrs. Mae Charlton, 2905 East 26th street, entered St. Elizabeth Hospital, Belleville, Wednesday afternoon and received x-rays during the week before undergoing major surgery this morning.

Friends wishing to send cards may address them to her at Room 515 of the hospital, 211 S. Third street, Belleville.

FIRST MEETING
Held by CUB PACK
Cub Pack 17, sponsored by the Marshall school PTA, held its first pack meeting Wednesday evening.

Parents viewed projects the scout leaders have been making last month at their den meetings. Projects on display were Indian necklaces, a vest, drums, miniature Indian village and puddle jumpers.

A dinner guided the parents to the table assigned to each den and presented them with name tags of various colored arrowheads.

The meeting opened with the pledge of allegiance by Cubmaster Harvey G. Kief, who welcomed the parents and cubs. There were over 60 in attendance.

Bobcat awards were presented to Den One, led by Mrs. Lea Bug; Tippy Bugg, Gary Harris, Dan Kief, Randy Peach, Eddie Warfield and Buddy Watkins; Den Two, Mrs. Norma Colvott, Greg Colvott, Mitch Martin, Charles Pabst, Allen Stringer and Dallas Nunn; and Den Three, Mrs. Mary Yeager, Bobby Daugherty, Tom Duke, Mark James, Michael Pinkos, George Yeager, Gary Taylor and John Clark.

A ceremony with the "Akela salute" was presented. Three candles were lighted to represent a cub, the pack and the parents.

A get-acquainted game was played followed by the "train song." The cubmaster took cards containing a variety of scout subjects and dropped and ingredients and pulled out a cubby award" given to the den with the most parents present. Den Three.

A request was made to contact parents of scouts not present and obtain their help for the den and pack.

A door prize was won by Mrs. William Stringer. A round song was sung, followed by a ghost

story told by the cubmaster, with the cubs providing sound effects.

Following closing ceremonies, cupcakes, soft drinks and coffee were served by the mothers of Den One.

A committee meeting will be held in the Kief home, 2737 Sunset drive, April 16 at 7:30 p.m., with the next pack meeting to be held at 7 p.m. April 23 at the school.

Assisting Kief was a den chief, Robin Nunn, a member at St. John's United Church of Christ Boy Scout Troop Three.

MEET WITH MRS. LOVE
The Jolly Twelve club met Thursday in the home of Mrs. Helen Love, 1724 Primrose avenue, who served a two-course luncheon.

The afternoon was spent playing pinocle, with prizes awarded to Mesdames Myrtle Bruns, Jean Barnes, Alma Moehle, Kathryn Smithson, Anna Moehle and Myrtle Ryan. Mesdames Mrs. Moehle invited the club to her home, 2100 Lynch avenue, April 10.

PRAYER GROUP MEETS
A prayer group of Suburban Baptist Church met Thursday in the home of Mrs. Margie Fix, 4249 Marigold drive, as a season of prayer was conducted for "Crusades of America."

Refreshments were served to Mesdames Ursula Lackey, Anna Fisher, Ida Evans and Mary Stegford. Table adornments were in keeping with a spring theme and a bowl of fruit centered the luncheon table.

TENTH BIRTHDAY OF CONNIE GUEBERT
Connie Sue Guebert, daughter of Mr. and Mrs. Vernon Guebert, celebrated her tenth birthday Saturday afternoon at a party given in their home, 4732 Vincent avenue.

Guests were presented with party hats as they arrived. White streamers detailed in pink and blue and inscribed with "Happy Birthday" were suspended from the ceiling, decorated with balloons of red, yellow, white and green.

The luncheon table was centered with a cake which had a clown theme.

Refreshments were served by Mrs. Joyce Guebert, assisted by the honoree's aunts, Mrs. Darlene Jasnowski and Mrs. Janis Guebert of Percy, Ill.

Games were played each guest receiving a prize. The honoree received many gifts.

Present were Lorrie and Nickie Jarrett, Jeannette Ruck, Debbie Ridings, Pam Hall, Carla Stricker, Cassey Schooley, Amy Sheriff, Robin Hargis, Margie Cook, Carolyn Rowden, Denise Scott, Debbie Royden, Debbie McLaughlin, Kay and Sherrie Davis, Joyce Mullan, Winnie and Robin Rogers, Denise and Georgia Blich and Debbie and Timmy Jasnowski of Percy, Ill.

HONOR LORI MALZYNSKI ON EIGHTH BIRTHDAY
Lori Malzynski was honored on her eighth birthday with a party given by her mother, Mrs. Leverne Malzynski, at their home, 2153 Robert avenue, Saturday afternoon.

A circus theme was used and a clown, Christy Brooks, delighted the guests with jokes and tricks.

Shirley Sharon Gray and Pam Warren were awarded prizes for pinning a nose on the clown and Michael Malzynski won a prize for a balloon game.

The refreshment table was centered with a large birthday cake adorned with several layers. Brightly colored streamers and balloons were suspended above the luncheon table.

Many gifts were opened by the honoree, a second grade student at Maryville school.

Guests present were Cassie Lipson, Debbie Penrod, Tommy Gray, Eddie Snider, Peggy Penrod, Rita Fields, Curtis Brady and Bobby Spaulk, Connie Stroder, Linda Hall, Daniel Whitehead, Joyce Fitton, Pam and Barry Church, Kathy Stovall, Pat Gausepohl, Connie LaVelle, Ginny and Julia Penrod, Tracy Brooks and the honoree's sister, Renee Malzynski.

Indian Lore' Topic Of Pack 8 Program

Attired in Indian costumes and accessories, cubs and leaders of Pack Eight, sponsored by the First United Methodist Church, presented a program on "Indian Lore" in the church fellowship rooms Thursday evening.

A teepee, campfire and rustic arch setting decorated the stage for the program which included stories, sign language and songs. Pack members led by Cubmaster William Morgan paraded around the hall to start the proceedings.

Den mothers supervising the entertainment were Mrs. Alice Wyatt, Mrs. Barbara Palmer, Mrs. Lois Warren, Mrs. Ann Morgan, Mrs. Margaret Feeney, Mrs. Sandra Ebling and Webster leader, Bob Mann. Mrs. Palmer also led the audience in songs.

The cubmaster announced that seven boys were recruited into the pack during a recent drive. He also introduced guests, Robert Goodman, assistant district commissioner and John DeCoursey, institutional representative.

Bobcat pins were awarded to Randy Owens, Dan Courtney, Billy Copeland and Jodi Urey, and a graduation ceremony was conducted for Larry Wyatt, who was admitted to the Webster den.

Other awards were made to Larry Pinkston, wolf badge, recruiter stripes and gold and silver arrow; Wally DuShon and Bobby Curtis, gold and silver arrows; Bryan Warren and David Ebling, two silver arrows; Carl Ehler, five silver arrows, recruiter stripes and one-year service pin; and Danny Wyatt, one gold and seven silver arrows.

The pack leader reported a bake sale planned for April 12 at the A & P Grocery store in American Village shopping center and an Easter egg hunt to take place the past weekend.

Youth, 18, Assaulted

Delmar Lewis, 18, of 2033 Madison avenue, reported at 1:30 a.m. Saturday that he was struck on the face and knocked to the ground by a man while he was in the middle of a flight of stairs at the rear of a home in West Granite. The youth was treated at St. Elizabeth Hospital for a laceration to the left eye and head.

Program Presented at Tiny Tim Pre-School

Miss Marie Ropp, executive director of Easter Seal of Southwestern Illinois, was a visitor Thursday at the Tiny Tim Pre-School class at Central Christian church. The Pre-School is sponsored by the Easter Seal Society and seeks to prepare physically handicapped children to enter Granite City public schools.

Miss Ropp presented slides of the children's school activities to a group of parents and interested guests. After the program the children were given Easter treats.

The Tiny Tim Pre-School class is conducted each morning during the school year. The school room had been furnished with developmental equipment and special education toys by Granite City's Church Women United.

The teacher, Mrs. Mary Beth McGovern, has been helped volunteers by the Church Women United who are then able to give individual attention to each child.

Faces Conduct Charge

Charles Scott, 32, of 2115 Edison avenue, was charged with disorderly conduct Saturday afternoon when he was identified as the man who had struck Carolyn Cox, 207 Fourteenth street, in the face several times. The woman told police she was seated at the bar at Tip Top tavern, 18th and State streets, when Scott pulled her outside and struck her several times. She was given emergency treatment at St. Elizabeth Hospital.

Maundy Thursday Service
On Maundy Thursday at St. Bartholomew's Episcopal church there will be a Low Mass offered at 7 a.m. and a Sung Mass and sermon at 8:30 p.m. by the Rev. Wilbur Lear, rector. Stripping and washing of the altar and a Procession and Watch before the Altar of Repose will follow.

C. of C. Shoplifting Clinic Attracts 80 Retailers

Shoplifting continues among retailers' greatest operating problems with total losses in 1965, when all reports are tabulated, expected to reach 2.5 billion dollars. Christmas season stealing alone accounts for more than \$700 million each year.

Problems of shoplifting which have reached "headache proportions" in many communities were discussed Thursday at a special seminar-clinic sponsored by the Tri-Cities Chamber of Commerce.

Close to 80 Quad-City store owners, managers and retail clerks attended the 90-minute session, held in the YMCA.

Participants viewed a film, "Boosting is a Business," shown by Patrolman John Carroll of the St. Louis metropolitan police department's community relations division, who explained that "boosting" is a slang term for shoplifting.

The St. Louis police officer also took part in a panel discussion with Granite City Police Chief Ronald Veizer, Det. Joseph Nemeth and Leon Scroggins, city attorney.

Those attending learned the "more professional" shoplifters are older persons, while teenagers comprise the greater percentage of amateur pilferers. Merchants are advised to employ sufficient manpower as "short-handed business firms

Richard J. Kraft 64, Dies; Former Library Official

Richard J. Kraft, 64, of 300 Forest avenue, Springfield, Ill., who resided in Venice and Granite City until two years ago, died Saturday afternoon at St. John's Hospital in Springfield about 8 p.m. Thursday. He had been ill with a heart ailment since 1960.

Mr. Kraft, a widely-known civic leader here, had moved to Springfield two years ago when he accepted a position in the finance department of the Illinois State Library. He had retired the same year after 30 years service in the personnel department of Sinclair Oil & Refining Co., Hartford-Wood River plant.

He was a past president of the Venice Library Board and the Illinois Library Association and past exalted ruler of Elks Lodge 1063 of Granite City. He also held membership in the Knights of Columbus, Tri-Cities Council 1098, and St. Elizabeth and St. Mark's Catholic churches.

Mr. Kraft was a son of the late Mr. and Mrs. Frank Kraft of Venice. His wife, Dorothy, a Granite City school teacher, died in 1964.

Surviving are two sisters, Mrs. Buel (Mildred) Cotter and Mrs. D. G. (Marguerite) Wertz, both of Granite City.

Funeral services were held today. Arrangements are given in the obituary column.

Area Council PTA Elects Dr. Rose

Dr. Benjamin Rose was elected president of the Area Council of Parents and Teachers at a meeting Thursday evening at Parkway school.

Other new officers include James Dumont, vice-president; Arthur Menendez, treasurer; Twila McKinney, recording secretary; and Mrs. Alma Burnett, corresponding secretary.

An installation ceremony will be held at 7:30 p.m. May 21 at Maryville school and will end the meetings for this year. The theme will be "Changes of Health and Moral Education."

Mrs. Mary Jesse, legislature chairman, announced a bus will take parents to Springfield on May 13 to attend a senate session on school legislation. Departure is 8 a.m. and the bus will leave Springfield at 3 p.m. Cost of transportation is \$3 per person.

Special speaker Thursday was Eugene Aissal, school district art director, announced the art show for May 5 to 6:30 p.m. There will be exhibits from all schools, and proceeds will aid the scholarship fund.

Two school board candidates spoke at the meeting. They were Mrs. Mary Church and A. L. "Pete" Metcalf.

Mayor, Inspector Being Sued Over Zoning Provisions

A mandamus suit was prepared for filing today in Madison county circuit court at Edwardsville against Mayor Partney and Orville Delour, city building inspector, in behalf of Robert W. Miller and Verna Miller.

The complaint asks that the two officials be ordered to enforce the city zoning and building ordinances.

The Millers allege that a neighbor, William L. Fries, 3023 Myrtle avenue, constructed a carport adjacent to his house before obtaining a building permit, and the supports of the roof were placed on the Miller property.

It adds that a building permit was obtained later and that Fries then removed the supports from the Miller property but placed them within two feet of the property line, in violation of the code.

Fries then removed the supports entirely and fitted the carport roof with supporting wires to the side of his home and to a piece of lumber in a way to provide little support for the roof, it is alleged.

The complaint continues that on Nov. 12, 1965, Fries applied for an extension of 16 feet to the carport, but the zoning board

appeals and the city council denied the request.

The Millers claimed that Fries has not complied with the specifications on the building permit nor with the decisions of the zoning board and city council, and that the carport roof presents a hazardous and unsafe condition and is an unattractive structure with no gutters to receive rain water, and that the roof remains within two feet of the property line.

The complaint alleges that repeated requests were made to the mayor and city council to enforce the ordinance, but that they have refused to do so. The Millers also ask that the defendants be ordered to pay court costs and attorney fees, expected to be \$300.

Two House Fires Tie Up All Fire Equipment in GC

All fire fighting equipment was in use at the same time at two house fires early Friday, with damage estimated at \$11,000 at one home and at \$2000 at the other. One occupant was overcome by smoke, and a dog was asphyxiated.

Chief Earl Fronberger said damage of \$11,000 was listed at the two-story frame home of Anthony Germani, 2206 Cleveland Blvd., in a fire which was reported at 2:20 a.m. The cause was undetermined.

Neighbors aroused the occupants who fled the building, but a cocker spaniel dog was found dead. Firemen, at the scene three hours and 10 minutes, listed the loss at \$8000 to the building and \$3000 to the contents.

Firemen were called five minutes earlier, at 2:15 a.m., to the home of Phyllis Tomlinson, 2608 East 25th street, where Lindell Cowan, 32, of that address, was overcome by smoke. He was admitted to St. Elizabeth Hospital.

Cause of that fire also was undetermined, and the case is being investigated by authorities. Loss to the frame structure was set at \$1500 to the building and \$500 to the contents.

A pot on a stove became overheated and caused smoke damage of \$100 at the home of Clifford Parks Jr., 2236 Edwards street, at 12:20 p.m. Thursday, the fire department reported.

Firemen also were called Thursday to the Union division plant of Miles Laboratories, where a dust explosion in the feed house was caused by a workman with a cutting torch. Firemen were on the scene nearly two hours. Damage estimates on industrial fires are not made.

City Clean Air Board Sets Four-Part Goal for 1969

(Second of two articles)

The goals of Granite City's Air Pollution Control Board for 1969 hinge on approval of a \$22,075 grant of federal funds and a budget of \$11,066 by the city to meet the \$2-to-\$1 requirement of the federal government. With the \$33,140 total, the board plans to expand its present staff of a part-time technical secretary with a full-time technical assistant, and a part-time office secretary with a full-time secretary-technician.

A four-phase expansion of the technical program is also outlined in the board's first annual report.

It calls for extension of the ambient air hi-volume sampling network now being operated on a limited scale to record the level of suspended particulates in the air.

Source Testing Planned

A program of industrial source testing is planned to provide information on the level of emissions from specific sources and to evaluate the operating efficiencies of air pollution control devices. The board notes this phase will require special equipment and training for the technical assistant.

In the third phase, tentatively scheduled for the third quarter of this fiscal year, a system of hydrogen sulphide samplers would be installed to pinpoint any main sources.

In the fourth phase, a development of a continuous monitoring station to measure sulphur dioxide and the atmospheric haze level is planned, and a simple laboratory will be established in

the board's offices on the third floor of the city hall.

Present Staff

At present, the board employs Erwin C. Hoelscher, associate professor and assistant chairman of mechanical engineering at Washington University, St. Louis as part-time technical secretary. He devotes about one day a week to the duties.

In addition, the present staff includes an office secretary, Mrs. Shirley Long, who works eight to 16 hours a week. A city inspector has been assigned to provide the equivalent of one eight-hour day per week, assisting the board in air pollution monitoring programs.

Members of the city clean air board are Henry S. Bienenick, chairman; Theodore M. Macios, vice-chairman; P. Lance Callis, William Krause, Gilbert Sykes, Dr. Melvin Freedman, Alderman Samuel Whitmer and Sidney Womack.

Bienenick stresses the air pollution control office is open and receptive to air pollution complaints from citizens and that the board tries to satisfy all complaints through a program of prompt investigations.

All Complaints Reviewed

In cases of complaints, the technical secretary has made site visits to the source of pollutants, reviewed conditions leading to the complaint, and where possible, has made technical recommendations for alleviating these conditions.

Members of the board have made it part of their operating policy to maintain a public awareness of the economic, technical and health aspects of air pollution control. "As a technical body," the report states, "the board's position is to maintain an awareness of all the varied and complex factors contributing to the general air pollution situation in Granite City. It is the board's feeling that an informed public will support the sustained effort required to achieve and maintain satisfactory air quality in the community."

Speakers Available

The board also provides a speaker for PTA meetings, civic clubs, church groups and other organizations.

"The 1969," the report continues in a review of air pollution control activities in the area, "have seen a phenomenal nationwide increase in concern over air pollution abatement."

"Public awareness, stimulated by increased publicity in the news media, has resulted in intensive air pollution investigation and abatement activities at all levels of government. Such a crash program is necessarily expensive."

"As such, it has fallen on the federal government to pioneer the efforts, followed in most cases by state and local governments at budgets permitted."

City in 3-Way Surveys

"The Granite City area has been fortunate to have been included in all three levels of activity during the past six years. "During the period 1963-65, the U. S. Public Health Service conducted an extensive air quality monitoring program in the interstate metropolitan region. Granite City was represented by three sampling stations during the study. The outgrowth was the establishment of the St.

Louis Quality Control Region in 1969.

In 1965, the Illinois Air Pollution Control Board began a statewide air quality monitoring program which continues through the present date. Granite City has been represented in this program by three permanent air sampling stations and a mobile air sampling station on temporary assignment in the area.

Continuous Program

"The data obtained from the Illinois program provides continuity of data between the USPHS study period and the beginning of the Granite City air monitoring program."

"Such continuity is necessary to establish general trends in pollution concentrations for defining problems and the effectiveness of abatement programs. "The Granite City Air Pollution Control Board's air quality monitoring programs have been restricted to date by budget limitations."

The local board points out that a review of Granite City air pollution control regulations, which were modified in October 1967, will be conducted this year to keep up with changes expected on the state and federal levels.

This probably will involve modification of weaker sections of the city ordinances, development of regulations for pollutants which have not been considered to date and possible elimination of burning of refuse by individuals.

To the Voters of the Third Ward:

I would like to take this opportunity to thank the residents of the Third Ward, for giving me a minute or two of their time, in my recent house to house canvass, for re-election as alderman. I was truly grateful for the courtesy that was extended to me, with the reduction of words, and increased representation, this was a tremendous task. I want also at this time, to thank my friends and supporters, for their efforts on my behalf, and my family for their time and patience. Your vote and support will be appreciated, thank you.
